GEORGE H. SYKES
Elected to Granite City Park Board

Sykes wins park voting

George H. Sykes, 3524 Johnson Road, won election Tuesday in a field of four candidates as a commissioner of the Granite City Park District board.

Sykes polled a total of 796 votes in three Park District polling places, a margin of 382 votes over his nearest opponent, Jack Hood, 2809 Madison Ave. Hood tallied 414 votes in the three precincts.

Richard Reinhardt, 1811 Venice Ave., placed third in the election results with 140 votes, and Nicholas J. Ryan, 3240 Rodger Ave. trailed the ballot with 97 votes.

New Madison Council trend

Two new Madison aldermen were sworn in Tuesday night and their impact could be substantial on the city government, political observers believe.

Ronald Grzywacz, a construction employe and car wash owner who is a former Madison policeman, won in Ward Three with 237 votes to 179 for Gary Novich, 106 for Mike Mejaski, 41 for Anthony W. Romanic, ten for Tony Trotts and four for David L. Clark. The position was left vacant by the death of Alderman Stanley Krakowiecki.

In the Fifth Ward, Donald E. Garrett, editor of the East St. Louis Monitor and a former convict, defeated incumbent Alderman John H. Haynes Sr. 167 to 131.

Three unopposed aldermen won Tuesday—Paul Ashford in the First Ward with 165 votes, Donald Broyles in the Second Ward with 217 votes and Mike Sikora in the Fourth Ward with 188 votes.

When Mike Sasyk was elected as mayor six years ago in a relatively close race with Third Ward Alderman Raymond Kozielek, Sasyk drew much of his support from Wards One, Two and Five, while Kozielek ran well in the northern area of the city—the Third and Fourth Wards.

Mayor Sasyk had no opposition in gaining re-election two years ago, but the northern area remains somewhat "clannish" and it is felt the Third and Fourth Ward representatives may form a strong voting bloc on city issues.

Holdover Madison aldermen are Donald Reeves of the First Ward, Richard Kismer of the Second, Kozielek of the Third, Christ Costoff of the Fourth and Booker Walton of the Fifth.

In Tuesday's Venice city election, four aldermen were elected without opposition.

Thomas Voegele received 173 votes in the Venice First Ward, George Mangiaracino 198 in the Second, George E. Lewis 202 in the Third and Oscar King 197 in the Fourth.

At Pontoon Beach, Village Board President Floyd David Moss and his Village Improvement Progressive Party ticket easily overcame its opposition, including incumbent Trustee Dr. Dean Rochester who ran as an independent.

Moss was unopposed, but Mrs. Lillian Singer launched a write-in campaign for the village president post. Moss tallied 331 votes to 51 write-ins for Mrs. Singer.

The VIPP ticket also brought Mrs. Mary Warren into office as village clerk with 335 votes. Mrs. Lois Henke, who sought that post as the write-in partner to Mrs. Singer, lost with 49 votes.

The three VIPP trustee candidates who were elected were: Loren Madison, incumbent, with 313 votes; Duane Skinner, former village treasurer, with 315 votes and Keith Biggs, in his first bid for public office, with 303 votes.

Rochester collected 165 votes.

A total of 431 village residents voted in the village's , only polling place, the Long Lake Fire Hall, 4113 Pontoon Road.

Assessed value stable in area

Property assessments of $294,717,075 for the Quad-City area have been certified by the Madison County Board of Review to the office of County Clerk Evelyn Bowles for extension of tax rates for the 1974 tax year, on which tax bills will be based for payment this year.

The total assessment for the four townships of the Quad-City area are $520,165 less than the $295,239,240 extended by the review board last year.

James Barton, supervisor of assessments, said the Quad-City valuations are included in a new Madison County assessment total for 1974 amounting to $1,018,467,855 — the first countywide assessment total to exceed the $1 billion mark.

Barton said the new county total will be reduced by $17,469,840 in homestead exemptions yet to be applied, and that railroad and capital stock assessments are yet to be added. These changes still will leave the county values well over the $1 billion level, Barton said.

Slight assessment increases were reported in all of the Quad-City townships except Venice, which has been undergoing a year-to-year assessment decrease for many years. That increase offset the higher values in the other three townships.

The new valuation of Granite City Township has been set by the review board at $168,818,610, up from last year's $167,468,840.

Property values in Nameoki Township were fixed at $44,789,775, up from $44,082,720 last year, while new assessments for Chouteau Township total $27,921,060, up from $27,263,450 a year ago.

The new Venice Township value was set at $53,189,630, a drop of $3,234,600 from last year's assessment of $56,424,230.

The increases in Granite City, Nameoki and Chouteau townships totaled $2,714,435, but these were more than offset by the $3,234,600 reduction in the Venice Township valuation, resulting in the areawide net loss of $520,165 from last year's assessments.

Barton said the review board assessments for Granite City include $62,198,810 in personal property, $14,329,240 in land assessments, $92,263,260 in lots (improved real estate) and $27,300 in locally assessed railroad property.

The Venice Township assessment is made up of $21,721,940 in personal property values, $5,846,160 in lands, $25,550,200 in lots and $71,330 in railroad assessments. In Nameoki Township values include $8,118,958 in personal property, $12,345,865 in lands, $24,121,760 in lots and $203,200 in railroad values.

The Chouteau Township valuations include $6,000,735 in personal property, $9,238,025 in lands, $12,533,270 in lots and $149,030 in railroad values.

Miss Evelyn M. Bowles, county clerk, announced that the 1974 abstract of assessments has been completed and sent to the Department of Local Government Affairs. On April 11, 1975, the department certified a final multiplier of "one" to her office. Madison County has had a multiplier of "one" since 1958.

The breakdown of Madison County assessments shows an increase of $6,611,145 in personal property; an increase of $12,484,240 in lands and an increase of $21,861,590 in lots. Locally assessed railroad property decreased $3,800.

Assessments made by the Department of Local Government Affairs and certified to the county clerk were $4,881,200 for capital stock, an increase of $64,400, and a $16,436,659 railroad valuation, an increase of $326,693. Pollution control facilities in Alton, Wood River, Hamel and Venice Townships show an assessment increase of $3,750.

This year the county data processing department will run the 1974 collector books and the tax bills, after the tax rates are computed by the county clerk's office, Miss Bowles said.

Council backs effort to fund new sewers

By HARRY BARNES
Press-Record Staff Writer

A move to seek federal funding for replacement of broken sanitary sewer lines in the Nameoki area was approved by the Granite City Council in a special meeting Monday night.

The aldermen approved unanimously a resolution authorizing Mayor Paul Schuler to sign all applications and agreement forms necessary to a plan to obtain sewer replacement financing under Granite City's original federal grant for construction of the secondary sewage treatment plant.

The mayor told council members that such financing was suggested as a possibility by Richard Briceland, director of the Illinois Environmental Protection Agency in a meeting at Springfield last week. The meeting between Briceland, Mayor Schuler and other city representatives was arranged to explore financing possibilities to solve Granite City's mounting sewer problems.

"We were told that there are several ways we could go, but that the possibility of funding as part of our secondary sewage treatment program was most likely," Schuler told the aldermen.

He said that he had called a special council session to obtain authority to sign any necessary applications or other papers because "time requirements are essential" in meeting goverment deadlines.

He said he was not completely aware of the procedure but that he is to attend another meeting with EPA officials in Springfield April 22.

In response to questions by several aldermen, Mayor Schuler said the program "is not an iron-clad one" at this time, but "at the moment offers the best chance for the city to work out a sewer replacement program in areas where we now have broken lines."

Alderman Frank Greenwald asked Schuler if the plan possibly could include

It was cool and damp outdoors Tuesday night, but the weather made no difference.

Snow, rain or hail couldn't have stopped one young boy going outside and peering up at the sky just waiting to catch his first glimpse of a star.

John Allen Young got his first true image of a star and experienced a few other unique moments in his life two nights ago, right in his own backyard.

The major change in John's 11-year-old lifestyle, an ability to see at night for the first time, resulted from a small device weighing less

Moore heads School Board

George Moore was elected president of the Granite City Board of Education at a reorganization meeting of the board Tuesday night. Thomas G. Miofsky was seated as a newly-elected board member to replace A. L. "Pete" Metcalf who did not seek re-election.

The retiring president, Donald Stucke, was elected treasurer, effective July 1 this year, replacing L. Monroe Worthen who won re-election to a new board term in the April 12 school election.

Board members approved the secretary's salary of $360 a year and elected Harold Davis to the secretary's office previously held by Moore.

They also agreed to retain William Schooley as school attorney and to continue regular board meetings on the first and third Tuesdays of the month at 7:30 p.m. in the board office.

Committee appointments made during the meeting included Norman Hall to the Special Education Board; George Moore, Southwestern Division of IASB; Donald Stucke with Carl Macios as alternate, Large District Council; Harold Davis, Area Vocational School; L. Monroe Worthen with Thomas Miofsky as alternate, Citizens Advisory Council; Miofsky with Macios as alternate to the Title I Advisory Committee; Hall with Miofsky as alternate, Negotiations Committee.

The board agreed to retain the Policy Committee composed of Hall, Worthen and Moore.

Sharon Voyles, 2212 Bern Ave., was recommended for employment as a secretary and Lyle Temple, 4104 Braden Ave., was employed as a carpenter.

Board members accepted resignations from Lenora Early, a cafeteria worker; Marie Coffay, secretary in the board office, and Jesse Owens

GC vehicle licenses on sale

Auto wheel tax tags went on sale at the office of City Clerk Robert Stevens Monday under terms of an amended ordinance which makes some changes in the license program.

Although the ordinance provides that the license stickers are to be displayed on the windshields of autos operated by Granite Cityans by May 1, passenger car owners will have until May 15 to buy the tags without a price increase.

Motorists buying wheel tax tags on May 16 or thereafter will pay an additional $2.50 in all categories of the wheel tax schedule. Passenger car tags will cost $3 until May 16 and $5.50 thereafter. Truck owners will pay from $8 to $25 under the regular schedule until May 15, depending upon the weight of the truck.

The truck schedule also will be increased by $2.50 in all categories after May 15, Stevens said.

Under the amended ordinance, a car or truck owner will be able to buy a replacement license for $1 if the vehicle is wrecked, the windshield broken or is traded in for another car or truck. Proof of the change must be provided by the motorist.

Senior citizens will pay a fee of only $1 for passenger car tags until the May 15 date, but must pay the full $5.50 fee if the tax is purchased after that date. The reduced price for senior citizens will be effective for only one car in each family.

Stevens said the city sells approximately 17,000 vehicle licenses each year.

Liquor license to stand

Mayor William M. Ebersoldt informed the Venice City Council at its Tuesday evening meeting that a liquor license for the Tri-City Grocery Co. will become effective despite some objections that have been raised.

"I did not realize that so many people were interested in Venice who don't even live here," Mayor Ebersoldt told the council.

"The majority of those objecting are outsiders. I have no malice toward anyone. All I want to see is our city grow and business in the city improve."

The council voted 7-1 to approve the liquor license request.

City Clerk Lloyd H. Patterson administered the oath of office to Alderman Thomas Voegele, First Ward; George Mangiaracino, Second Ward, and Oscar King, Fourth Ward, who were re-elected in Tuesday's election.

Alderman George Lewis, Third Ward, was ill and not at the meeting. He will be sworn into office at the next council meeting.

Rites today for George F. Bub

Funeral services were held at 10 a.m. today at SS. Peter and Paul Catholic Church, Collinsville, for George F. Bub, 55, of Collinsville, father fo Mrs. Sam (Georganne) Georgeff of Granite City.

Mr. Bub died Tuesday at St. Elizabeth Hospital. He also is survived by four sons, two sisters, a brother and his parents.

Two constitute quorum, Nameoki attorney rules

H. Carl Runge Jr., attorney for Nameoki Township, submitted a legal opinion to the Town Board of Auditors Monday night, indicating that he feels two auditors can comprise a quorum of the five-member board.

Runge was requested to prepare a written legal opinion by the board after a question arose on the legality of Supervisor Louis Whitsell and one other auditor voting Jan. 14 to reinstate Auditor Norman Hessler, who had resigned the previous evening and then desided to continue to serve until a suitable replacement could be found.

The board members signed a waiver of notice of special meeting by stopping individually at the town hall during the day Jan. 14. Only Whitsell and one board member were present when the vote was taken to reinstate Hessler.

Whitsell said his township officials' handbook indicates that the supervisor and one board member, or any two board members, can constitute a quorum.

Runge was asked Monday night to prepare a legal opinion on whether the township can pay the salary of a town collector. Attorneys for Collinsville and Godfrey townships have ruled it is illegal for the townships to pay the collectors' salaries, since the 1970 Illinois Constitution abolished the duties of the town collectors.

Whitsell referred to an opinion he received about one year ago from the state's attorney's office that the township could continue to hire a collector and collect taxes locally.

GC man wounded; critical

Mike Bazzell, 22, of 2535 E. 25th St., was admitted to St. Elizabeth Hospital in critical condition Tuesday night, after he was found shot on the back porch of his home at 9 p.m. He suffered a bullet wound to the right lower back.

Mrs. Sharon Dalton, 25, of the same address, called police and an ambulance to the home, saying Bazzell had come to the rear door and said he was shot. He then collapsed on the rear porch. He had been working earlier in the evening as a taxicab driver, she said.

A 14-year-old Kirkpatrick Homes boy who was visiting in the house also said Bazzell had come to the back door, saying he was shot, police reported. Two of Mrs. Dalton's children, ages 5 and 6, were present at the time, it was indicated.

Police officers said they searched the home and found a black holster for a gun in the kitchen trash can. A spent .38 caliber shell casing also was found in the wastebasket, they said.

There was a smell of recently fired gunpowder inside the home, they related.

Two unused bullets were found under Bazzell's auto, another was found by the car door and yet another was found about four feet in front of the parked car, officers related.

Bazzell had no shoes on and was in a semi-conscious condition when police arrived.

Meetings on highway plans are set today

Two informational meetings to explain the state's "Action Plan" for highway development, were to be held at 2 p.m. and 8 p.m. today in the second floor courtroom of the Granite City Hall.

The meetings are among 19 such public events being conducted by the District Eight office of the Illinois Department of Transportation to invite and encourage the general public to become involved in highway activities.

A spokesman for the DOT said input from the public will assure that transportation decisions are made in the best overall public interest, taking into consideration the need for fast, safe and efficient transportation, public service and the identification of possible adverse social, economic and environmental effects.

Sykes

(Continued from Page 1)

Drive, who filed as a candidate but later announced his withdrawal from the election race, received a total of 12 votes. Dillard's name remained on the ballot in Tuesday's election.

The heaviest vote was cast in Precinct 3 comprising that part of the Park District east of Nameoki Road, including the Briarcliff subdivision. A total of 634 votes was cast in that precinct, with 424 for Sykes, 86 for Hood, 74 for Reinhardt, 43 for Ryan and seven for Dillard.

Hood led the ballot in the voting in Precinct 1, that part of the district west of the railroad tracks, with 255 votes. Sykes tallied 95 votes in that precinct, Reinhardt and Ryan received six each and Dillard received one. A total of 353 votes was cast in Precinct 1.

In Precinct 2, with a total vote of 471, Sykes tallied 286, Hood 73, Reinhardt 60, Ryan 48, and Dillard four.

Only one commissioner was elected in Tuesday's Park District balloting. Sykes will fill the post formerly held by Paul H. Thompson who resigned in 1974 when he moved out of the area.

The Park Board met in special session at 5 p.m. Wednesday to canvass the vote. The canvass was completed without change in any of the results announced earlier.

Sykes will be seated on the five-man Park Board in the board's annual mandated meeting May 7.

Sykes is a native Granite Cityan and is employed by McDonnell Douglas Corp., St. Louis, as a cost and budget analyst in the Financial Controls Division. He has been with the company ten years.

He served in 1974 as president of the YMCA Soccer Association and presently serves on the Rules Committee in that organization.

Sykes has managed boys' teams in the Park District baseball program, YMCA Soccer Association and Khoury organization.

He attended public school in Granite City, graduating from high school here in 1957. He received a bachelor of science degree in business administration from Southern Illinois University at Alton in 1963.

replacement of the overall sewer system in the Nameoki area. Schuler replied that the funds may be available "for replacement of the bad sections — not the overall system."

Schuler added that "We will know more which way we're headed after we get the study report being made by Dr. (Robert) Koepke and Sverdrup & Parcel (St. Louis engineers)."

The report being prepared by Dr. Koepke, a geology professor at Southern Illinois University at Edwardsville, and the engineering firm, is expected to be completed late this week or early next week, Schuler said. It is expected to recommend what steps must be taken by the city to resolve the mounting sewer problems.

Granite City has had 38 sanitary sewer line breaks since the flooding early in 1973. Sixteen of these were repaired under contract with an East St. Louis construction firm during the 1973-74 fiscal year, at a cost to the city of $1.8 million. In addition, work by the city street department, overtime costs, purchase of electric pumps and other equipment has brought the total repair cost to more than $2 million.

Alderman Everett Morlen told the council that he believes the city should plan immediately for replacement of the entire sewer system in the Nameoki area.

"We've been repairing sewer after sewer and spent millions of dollars, and they just keep breaking," Morlen said. "The only way we are going to solve the problem is to put in an entire new sewer system."

After Schuler explained that he and several city representatives, including City Engineer Monroe Brewer, the mayor's administrative assistant John Rose, and Al Wilmarth of the Southwestern Illinois Regional Metropolitan Planning Commission, took part in the Springfield discussions last week, Alderman Walter Nonn of the Fifth Ward protested that he had not been informed of the meeting or its results.

Nonn is chairman of the council's Special Sewer Committee.

"Why wasn't the committee informed of this. I think the committee has a right to know," Nonn said. "I would like to be replaced on this committee." Mayor Schuler did not respond to Nonn's comment.

Nonn, however, described the problem of increasing sewer breaks in the Nameoki area as an "emergency situation" and said "We have to do something and we have to do it now. The ground is becoming saturated with sewage and we could have a critical health problem."

Alderman Roy Poulos, chairman of the Ordinance Committee, presented the resolution authorizing Schuler to sign all necessary applications for federal and state funding for sewer replacement.

Under the plan suggested by state EPA officials, the city will file applications to amend its original federal grant proceedings for financing construction of the secondary sewage treatment plant, to include additional money for the sewer replacement.

Madison man sues over beating

Albert Wells, 22, of the 1700 block of Collinsville Ave., Madison, has filed suit in St. Clair County Circuit Court against St. Clair County Sheriff Dave O'Neal, alleging O'Neal failed to provide proper supervision in that county jail which contributed to Wells being severely beaten by other prisoners.

Wells seeks $250,000 plus court costs from O'Neal. He charged that while he was in jail April 14, 1974, other prisoners beat him, breaking bones and causing internal and external injuries. He spent several days in a coma at the intensive care unit of Belleville Memorial Hospital as a result of the beating, he alleges.

He said O'Neal's "willful and wanton disregard for the safety of prisoners" at the jail, in which the sheriff is responsible for maintaining order, led, in part, to the beating.

Two men were charged with attempted murder in connection with the beating, but those charges later were dismissed during plea bargaining.

Lisa Sandor wins 1975 spelling bee

Lisa Sandor, a student at the St. Mary-St. Mark School, Madison-Venice won the annual Quad-City parochial school spelling bee this week at the Knights of Columbus hall.

Second place honors went to Karen Hamilos of St. Elizabeth School.

Carolyn Calderwood, a student at St. Margaret-Mary school, garnered third place.

The winner was presented a trophy by Dr. J. R. Vasiloff, grand knight of Tri-City K. of C. Council 1098.

Dr. Vasiloff announced that the first and second place finishers will compete in the Madison County spelling bee to be held at 7:30 p.m. Thursday, May 1, in Wood River.

Arthur L. "Pete" Metcalf, chairman of the event, presented the top three spellers with dictionaries provided by the Press-Record.

Local schools participating and their contestants were: St. Joseph, Sherry Olsen, Jack Nelson and alternate Neil French; St. Elizabeth, Rosalie Ponce, Karen Hamilos and alternate Elizabeth Hutson.

St. Margaret Mary, Carolyn Calderwood, Laura Wickman and alternate Elizabeth Walsh; St. Mary-St. Mark, Lisa Sandor, Christina Ponce and Kathy Bellcoff.

Sacred Heart, Scott Ahlers, Jean Jackson and alternate Rosie Baggot.

Enunciator was Miss Helen Kuenatler of the English faculty at GCHS South.

Judges were Jack Mulach, principal of Maryville school, Edward Gonwa, principal of Lake school, Jerry Brown, assistant principal of GCHS North, and Fred Noeth, principal of Washington school.

The invocation and benediction were given by Father Henry Mack.

Following the event, refreshments were served to a gathering of 125.

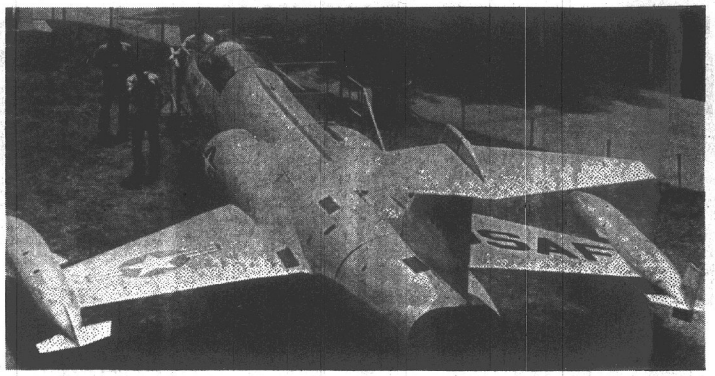

SPELLING BEE WINNER. The annual Quad-City parochial school spelling contest sponsored by Knights of Columbus Chapter 1098 took place this week. In the front row, left to right, are Lisa Sandor, first place trophy winner, from St. Mary-St. Mark School, Madison-Venice; Karen Hamilos, second place, from St. Elizabeth School; and Carolyn Calderwood, a student at St. Margaret Mary, third place. In the back row are Dr. J. R. Vasiloff (left), grand knight, and A. L. Metcalf, chairman of the spelling bee.

Plan weekend cheese sale

The National Farmers' Organization will hold a cheese sale from 8 a.m. to 7 p.m. Saturday and Sunday at Kohne's service station, Route 4 and Old Route 40, St. Jacob.

A spokesman said the five pound blocks of cheese on sale were made from NFO dairy farmer-produced milk in Wisconsin.

"The purpose of the nationwide sale is to get a price to cover the member's cost of production and to give the consumer a quality product at a fair price," the spokesman said.

MISSILE WITH A MAN. The F-104 Starfighter, U. S. Air Force craft that represented a revolutionary advance in aviation in the late 1950s, will be displayed April 22-26 at the Nameoki Village Shopping Center. Air Force personnel will be present to explain the craft and answer questions. The display will be sponsored by merchants in the shopping center.

Aircraft display April 22-26

A U.S. Air Force Lockheed F-104 Starfighter, popularly known as "the missile with a man in it," will be on public display at Nameoki Village Shopping Center beginning Tuesday, April 22, and continuing through April 26.

The display will be sponsored by merchants of the shopping center in cooperation with the U.S. Air Force.

The Starfighter is the only aircraft in the world to simultaneously hold the world records for speed, altitude, and time-to-climb.

On Dec. 13, 1958, an F-104 captured the time-to-climb record when it rocketed to 82,020 feet in 4 minutes 26 seconds. A new world speed record was established May 16, 1958, when an F-104 was flown 1,404 miles per hour, breaking the previous record of 1,207 m.p.h.

The F-104 set a world altitude record of 91,249 feet May 8, 1958, breaking the old record of 76,392 feet.

The Starfighter also was the first aircraft to fly twice the speed of sound in level flight and the first to exceed an altitude of 100,000 feet.

The aircraft, with its stubby razor-sharp wings, was powered by a General Electric jet engine which produced a thrust of 15,000 pounds with afterburner.

Because of its multi-mission capability, the F-104 was flown both as an air superiority interceptor and as a tactical fighter. Today it is flown by members of the Air National Guard and is used in Air Force testing programs. There are over 1,700 advanced versions of the F-104 in operational status in the Air Forces of 14 foreign countries.

Air Force personnel will be present at the display to assist visitors and answer questions about the aircraft.

Social events at Colonial Haven

Several Quad-City organizations have conducted special programs for the residents of Colonial Haven Nursing Home during the past month, according to officials at the nursing home.

A gospel singing and reading service is being held on alternating Wednesday nights by the Word of Life Tabernacle Church, led by Richard Milton.

Mrs. Clara Winters and Mrs. Carolyn Stearns of the Garden Study Club held an organizational meeting for a gardening group at the facility. A 12-month program has been planned with the group to meet monthly.

At a birthday party hosted by the women from Dewey Avenue United Methodist Church those honored were Hermonine Droege, Louise Genard, Anna Simpkins, Barbara Kepka, Bill Barnhart, Lula McMurray, Ira Pfaff, Eva Severine, Elta Crumley, William Meehan, Joe Egan, Helen Clements and Ivy Jackson.

Other entertainment and social gatherings were arranged by Junior Girl Scout Troop 388 of Johnson School; the Salvation Army; and a group of young Scout Crusaders from Faith Chapel in Mitchell.

The staff of the nursing home has been seeking a refrigerator and electric stove to be used by residents in the activity room.

To build addition to Venice town building

Construction of an addition to the Venice Township building, Fifth Street and Madison Avenue, is planned at an approximate cost of $35,000, Christ Pashoff, Venice Township Supervisor, announced this week.

Pashoff said the addition will provide a conference room and a storage area in which to file township records.

Bids have been called for the project and are to be opened at the Venice Town offices, 1502 Fifth St., at 3 p.m. Wednesday, April 30.

Pashoff said the addition will be of brick and block construction and will be financed with federal revenue sharing funds.

The addition will be built at the rear of the present township building, facing Fifth Street. The new conference room will adjoin the present township offices on Fifth Street. The front part of the building facing Madison Avenue now houses the Venice Township tax office and assessor's office.

Pashoff said that a social meeting of the Town Board will be called immediately after the bids are received. A contract will be awarded during the meeting if satisfactory bids are received, he said.

Shrine circus pact signed

Bob Hardy, chief rabban of Ainad Temple and 1975 circus chairman, has announced the signing of the contract for the Ainad annual Shrine Circus with L. M. Fleckles.

The show will be seen in Belleville at the Belleclair Fairgrounds starting Saturday, July 12, with two performances, three on Sunday, July 13 and one Monday, July 14, at 7:30 p.m.

The circus will move to the Tri-City Speedway in Granite City and open Wednesday night, July 16. The circus also will show Thursday night July 17, and close Friday night, July 18.

Two parades will precede the circus when Granite City will host the first parade on Thursday night, July 10. On the following night downtown Belleville will be the scene of the second parade.

Potentate William R. Popkess, leader of the 3,400 Nobles of Ainad, said he hopes the weather will bring out the largest crowd to ever witness a Shrine circus in this area during its six-day run.

Crash victims leave hospital

Harlan Kirk, 21, of 2256 Washington Ave., and Larry G. Lunsford, 23, of 2131 Collinsville Ave., Madison, were released this week from Firmin Desloge Hospital, St. Louis.

Both were injured in a two-car accident on Route 203 a mile south of Interestate 270 April 11. Three persons lost their lives in that accident.

Kirk was a passenger in Lunsford's auto. All of those killed were in the other. One passenger in the auto in which the fatalities occurred, James T. McMahon, 18, Bellefontaine Neighbors, Mo., was in satisfactory condition today at St. Elizabeth Hospital.

RECOVER STOLEN CAR

The auto of Dale Onkle, 3016 Myrtle Ave., was stolen from his home before 8:50 a.m. Monday and was found Tuesday at the Holiday Mobile Home Park on State Aid Route 35.

Father-son combinations among stock car drivers scheduled for Tri-City Speedway competition

Two father-son combinations of late model stock car drivers will compete against each other Saturday, along with others, on the half-mile dirt oval at Tri-City Speedway, 5100 Nameoki Road, starting the Gateway Auto Racing Association's 1975 season here.

The association began 1975 events at Lake Hill Speedway, Valley Park, Mo., two weeks ago. It sanctions racing programs at both Valley Park and Tri-City.

Heading the father and son combinations are Wib Spalding, 42, and Terry Spalding, 20, both of Pontoon Beach.

A veteran competitor for many years, and a three-time track champion at Tri-City, Wib Spalding will pilot the No. 444 Camaro while son Terry inherits the No. 44 Camaro, his father's racing car from last year.

The younger Spalding competed in stock car racing for the first time last season in the sportsman division, here and at Godfrey.

Expected to give the two Spaldings wheel-to-wheel competition during the season for the late model stock car track title are Russ Wallace, 41, and his son, Rusty, 19, both of Arnold, Mo.

The Wallaces battled each other last year for the association title at Lake Hill, with Russ Wallace nipping his son in the season championship race. Both are competing this season in new Camaros.

During the weekend, Rusty passed his father on the last lap of a 20-lap feature race at Lake Hill to go on to the checkered flag.

A new late model stock car champion will be crowned this year, since defending titleholder Len Gittemeir, St. Charles, Mo., will campaign on the U.S. Auto Club stock car circuit in 1975.

Gittemeir has kept the late-model stocker that he ran last year at Tri-City. He said he occasionally may compete on the local scene this season also.

Granite Cityan Rod Bailey will begin defense of his 1974 sportsman division title Saturday.

Bailey trailed John Wolfmeier of Fulton, Mo., in point standings last year until the final race of the season at Tri-City.

Wolfmeier was enroute to his first track title until he experienced mechanical problems in his race car, yielding the feature race win and the track championship to Bailey.

The late model division will compete on the half-mile oval here and the sportsman class on the quarter-mile track.

Speedway Promoter Ed Bloom has initiated a new method for determining driver and car starting positions in this year's weekly programs.

In past seasons, a driver earned a certain starting position in preliminary heat races through time trials. He earned his way into feature races via the finishing position in heat races.

During the 1975 season, qualifying time trials will be conducted only twice — this Saturday and the first racing date following a mid-season championship race this summer.

In between those two dates, a driver's starting position will be decided by dividing the number of weeks he has actually competed in events with the points he has accumulated each time.

For example, a winner of all races Saturday would automatically start last in next week's heat race.

Time trials here Saturday will begin at 7:30 p.m. and the first racing event at 8:30 p.m.

2nd track win by Madison High girls

The Madison High School girls' track and field team now has a 2-1 record. The squad defeated St. Paul of Highland 71-60 Tuesday in a meet held at St. Paul.

Madison will next compete at Cahokia on Wednesday, April 23, in a triangular meet with the hosts and Belleville Althoff at 4 p.m.

MHS girls third in track meet

The girls' track team of Madison High School earned a third-place finish with 22 points during the weekend in a triangular meet at Mascoutah with the hosts and Okawville.

Mascoutah had 105 points and Okawville 36.

Madison finishing positions were: 110-yard low hurdles — Anita Rogers 2nd; 440 relay — Patricia Sardigal, Stephanie Garrett, Linda Campbell, Lydia Griggs 2nd; 80 low hurdles — Anita Rogers 2nd.

Half-mile relay — Alesia Jones, Anita Carter, Tina Wendell, Karen Winters; 100 dash — Patricia Sardigal 3rd; 440 dash — Carla Silas 4th; 220 dash — Alesia Jones 3rd; and mile relay — Paula Silas, Addie Heard, Karen Winters, Iris Butler 2nd.

Earning points Tuesday were: 110 low hurdles — Anita Rogers 1st (:20.5); 440 relay — Patricia Sardigal, Linda Campbell, Stephanie Garrett, Alesia Jones 1st (1:29).

50-yard dash — Staphanie Garrett 1st (:6.8), Linda Campbell 2nd; 80-yard low hurdles — Anita Rogers 1st (:13.4); 880 run—Dorothy Holt 1st (3:16); 880 relay — Tina Windle, Regina Silas, Karen Winters, Alesia Jones 1st (2:10.8).

100 dash — Stephanie Garrett 1st (:13.3), Patricia Sardigal 2nd; 440 dash — Carla Silas 3rd; 220 dash — Alesia Jones 1st (:33.4), Regina Silas 3rd.

Mile relay — Karen Winters, Iris Butler, Addie Heard, Carla Silas 1st (5:38); discus — Lunita Young 3rd; shot put — Anita Rogers 2nd; High jump — Theresa Franklin and Karen Winters tied for 1st (4-0); long jump — Karen Winters 1st (13-4½), Cecelia Sellers 3rd.

North net defeat

Assumption of East St. Louis during the weekend defeated the visiting GCHS North netmen, 3-2.

Singles results for the Steelers were: Dave Haldeman 6-0, 6-0, Rich Hermes 3-6, 6-4, 5-7, Rodney Wortham 2-6, 3-6. Doubles: Jim Harlan-Mike Haldeman 6-2, 6-2, Larry Miller-Kevin Marcus 6-7, 6-4, 1-6.

GOLF CLUBS TAKEN

A set of golf clubs worth $578 was stolen from the locker of Robert Maddox, 2828 Michigan Ave., at the Sunset Hills Country Club, it was reported at 1 p.m. Tuesday.

Knights prevail 6-2

The baseball Knights of Mater Dei of Breese posted a 6-2 victory Tuesday over visiting Madison High School.

MHS collected six hits and made two errors. Breese had eight hits and seven errors. Trojan Harold Williams went the distance, fanning six batters and walking none.

Mater Dei scored two runs in the first inning, three in the fifth and one in the sixth.

Trojan Joe Gulash reached base on an error, stole second, and scored in the first inning on a single by Pete Fecurka.

A sixth-inning run came on consecutive hits by Gulash, Fecurka and Cedric Wilson.

Collecting hits also for Madison were Kevin Werner, Danny Hancock, Williams and Dwain Bochantin.

Trojans lose 3-2

Trojan netmen lost a 3-2 decision here Tuesday to Gibault of Waterloo.

Madison High School results were: Jerry Verba 4-10, Patrick Winston 10-5, Michael Terrell 7-10, Michael Woods-William Garrett 1-10 and John Soles-Charles Coerver 10-7.

County track meet at South April 22

Roger Smith, athletic coordinator at Granite City High School South, has announced that the school will host four major athletic events this spring.

The 13-school Madison County track and field meet will be held here Tuesday, April 22, after having been held for the past few years at Highland.

Competing schools again will be divided into two divisions — Green and Red — with small enrollment schools (750 or less) placed in the Green Division.

Red Division entries are Alton, Edwardsville, GCHS North and South and Collinsville.

Schools competing in the Green Division are Wood River, Bethalto, Triad (Troy-Marine-St. Jacob), Madison, Highland, Roxana, St. Paul of Highland and Marquette of Alton.

Smith notes that tickets for the 4 p.m. meet will be available at the entrance gates of South Stadium at a cost of $1.50 for adults and 75 cents for students.

The third annual GCHS South invitational track and field meet will begin here at noon Saturday, April 26.

This meet also will be divided into two divisions, but Smith says schools entered have not yet been placed in a specific division.

Scheduled to compete here are Lindbergh of Missouri, a 1974 division champion, plus GCHS North and South, Mount Vernon, Belleville West and East, Edwardsville, Collinsville, Hazelwood East, Centralia, Cahokia, Lebanon, a 1974 division champion, and Triad, Madison, Herculaneum of Missouri, Roxana, Vianney of Missouri, Wood River, Mascoutah and Jerseyville.

Several records fell in last year's South meet, including a new mark of 14-1 by North's Bob Sampson in the pole vault event.

The 1975 Illinois High School Association district basketball competition is another sports event to be hosted by South.

District games will be played on the high school's Fehling Road diamond, north of the football stadium, on May 8, 10 and 12.

The four-game tournament pairings includes Edwardsville vs. GCHS North, Collinsville vs. GCHS South, Madison vs. the winner of the Edwardsville-North contest, and a title game on the last day of competition.

The district winner here will advance to regional competition May 17-19 at Edwardsville.

South captured its own district meet last year.

South will attempt to defend its 1974 district tennis championship when the local school hosts the net meet May 9-10.

Entered are South, Alton, Bethalto, Collinsville, Edwardsville, GCHS North, Jerseyville, Lebanon, Madison, Roxana, Triad and Wood River.

The district winner here, plus first-place and runner-up netmen in singles and doubles competition, will advance to state finals May 23-24 at Arlington Heights, Ill.

Scholarship to Harold Ritchie

Harold Ritchie, a former Granite City resident, has accepted an athletic scholarship to the University of Missouri.

A two-time Missouri state wrestling champion he compiled a 53-1 record in the last two years of high school, including a 33-0 mark his senior year for Hazelwood East.

South tennis win

Granite City High School South netmen defeated visiting Cahokia 5-2 during the weekend at Wilson Park.

Warrior singles results were: Bill Rusick 6-0, 6-0, Mike Papes 0-6, 0-6, Tim Frost 3-6, 6-0, 6-1, Larry Perrere 3-6, 6-2, 3-6. Doubles were Rusick-Frank Minarec 6-2, 6-4, Papes-Frost 6-2, 6-1 and Kevin Worster-Mike Hayes 7-6, 7-5.

Foil cycle theft

An attempt to steal the motorcycle of Donald Stewart, 2447 Bryan Ave., from Stewart's yard was foiled when someone came out of the house and at least two youths ran away, it was reported this week.

They ran to a car with its lights off parked on the Logan School parking lot and drove from the scene. Police questioned one suspect, but no charges have been filed.

A chain which secured the motorcycle to the house had been cut.

REPORTS FOR DUTY

Marine Staff Sergeant Glenard G. Rhodes, son of Mr. and Mrs. George Rhodes, 307 Weaver St., Venice, has reported for duty at the Marine Corps Air Station, New River, Jacksonville, N.C.

South nine defeats Edwardsville 7-4 in conference game

Granite City High School South's baseball nine traveled to Edwardsville Tuesday, competing in a Southwestern Conference contest rained out Monday. South garnered five runs in the fifth inning to blast the Tigers 7-4.

Warrior hurler Ray Smith was on the mound 5 1-3 innings for the win. He was relieved by Randy Lyerla. South now has a 3-7 record and Edwardsville is 12-4.

South collected 10 hits and made two errors. Edwardsville had six hits and four errors. The Tigers scored all their runs in the sixth inning.

Warrior John Pritchard hit an over-the-fence homer in the first inning.

In the fifth, Jeff Scarborough doubled and scored on a single by Jim Kafka. It became 3-0 when Brian Sikes got a hit.

Mike Gagich was struck by a pitch and Keith Champion reached base on a fielder's choice. Kevin Winans walked to force in a run, and two more runners crossed home plate on a wild pitch and an error.

South added a run in the seventh when Kevin O'Shia singled and Mark Greenwald doubled.

Schooley keeping statisticians busy

Tom Schooley, GCHS South senior, continues to impress coaches, teammates, fans and statisticians.

He was among the leading Warrior pointmakers in the 34th annual Mineral Area track meet held during the weekend at Belleville East.

Earning points for South were: 330-yard low hurdles — Tom Schooley 1st (New Record :39.2); 120 high hurdles — Schooley 2nd; mile run — Dwayne Terry 2nd.

Two-mile relay team — 3rd; shot put — Doug Hartman 4th; discus — Tom Boyd 4th; and 440 run — Joe Ward 6th.

Placing for GCHS North were: two-mile run — Mike Baker 2nd; pole vault — Bob Sampson 2nd; high jump — Rick Demaree 4th; 880 relay — 4th; discus — James Woodworth 5th; and triple jump — Mark LaRose 6th.

Madison's Trojans earned Mineral Area points in three events: 100 dash — Joe Young 6th; 880 relay — 6th; and 440 relay — 7th.

GCHS South tallied 41 points, earning a third-place tie with Belleville West. GCHS North placed a close fifth with 40 points, and Madison earned two points.

East St. Louis Senior High School captured the meet with 135 points and Alton had 131 for second.

Finishing behind South and North were Mount Vernon with 39 points, Edwardsville with 29, Lebanon 28½ and O'Fallon 16 to round out the top nine schools.

Schooley, son of former Warrior football star Bill Schooley, is 6-4 and weighs 195 pounds.

He competed last year in only three major track events prior to the state finals at Eastern Illinois University, because of a pulled thigh muscle. At the state, he placed third in the 330-yard low hurdles with a time of :38.3.

He was only one of ten finalists to compete at state as a junior.

Young Schooley also has lettered in football and basketball and has signed a football letter of intent to attend Illinois State University at Normal.

Schooley has captured events in several track meets this season, including the Belleville East relays, where he was first in low hurdles in 39.1 seconds.

Steelers unbeaten in dual track competition

Steeler track and field athletes swept to victory in all events yesterday in a rescheduled meet held at Mascoutah, defeating the hosts 106-35. North now is undefeated in four dual-meet outings.

North High earned points in: 440-yard relay — Steve Reinagel, Tom Stevenson, Steve Crabb, Mike Doneff 1st (:45.7); two mile run — Mike Baker 1st (10:25), David Ebrecht 2nd; 120-yard high hurdles — David Kwiatkowski 1st (:15.07), Mark LaRose 2nd; 100 dash — Doneff 1st (:10.5), Crabb 2nd; 880 run — Larry Schleicher 1st (2:02.9), Don Lucy 3rd; 880 relay — Bruce Jateff, Stevenson, Crabb, Reinagel 1st (1:37.2); 440 dash — Doneff 1st (:52.9); 330 low hurdles — Kwiatkowski 1st (:52.9).

Mile run — Baker 1st (4:54), David Futch 2nd; 220 dash — Doneff 1st (:23.2), Crabb 2nd; mile relay — Reinagel, Jateff, Lucy, Schleicher 1st (3:41.9); shot put — Rodney Flood 1st (51-11), Ed Opich 2nd, Jim Barker 3rd; discus — Opich 1st (157-9), James Woodward 2nd, Barker 3rd.

Long jump — Stevenson 1st (18-9¼), La Rose 2nd; high jump — Rick Demaree 1st (6-5); triple jump — LaRose 1st (41-0), Stevenson 3rd; and pole vault — Bob Sampson 1st (13-0).

Charged with after-hour liquor sales

Connie Campbell, 19, of Granite City, a waitress at Ralph and Charlie's Steak House, 1431 Fourth St., Madison, and Jim Edwards, 34, a bartender there, were charged with serving liquor after legal hours at 4:15 a.m. Wednesday.

The two were released on $100 cash bonds and are to appear in court May 28.

An off-duty Madison police officer stopped in the restaurant with friends and alleged he saw liquor served after the 1 a.m. liquor curfew. The two were placed under arrest and told to report to the Madison police station after the restaurant closed.

Two other employes at the steak house were charged on Nov. 1, 1974, for the same offense.

Fire guts 3 apartments

Fire gutted several apartments on the second floor of a two-story building at 1642 E. 23rd St., Monday night, leaving at least three families without homes.

The fire was believed started by a faulty furnace. Damage was estimated at $13,000, mostly to the second floor.

The building is owned by John Reed and Donald Gray, both of Collinsville. Firemen were on the scene more than two hours.

Displaced by the fire were the Clark family, Vickie Walters and Kathy Whelan, according to firemen.

Tony's Restaurant sold

Tony's Restaurant and Lounge, 5240 Nameoki Road, will be under new management May 1, it was announced Monday.

Serge Donikian and Amerik Kachigian will assume the operation of the restaurant and lounge on that date. They are the owners and operators of the Snack Shack, 2167 Washington Ave., and own Paul's Drive-in in the 2800 block of Nameoki Road.

They also operated the former A&W Drive-in in the 2800 block of Madison Ave. Kachigian is an attorney in Granite City.

They will assume ownership from Tony and Joan Queiroli.

Plans are to continue operation of the lounge with live entertainment, and to add a "happy hour" period from 3:30 p.m. to 9 p.m. daily.

The restaurant also will continue with weeknight meal specials, it was announced. The new owners also will accept bookings for banquets, clubs and special occasions.

After Route 203 improvements have been completed, plans are to open the restaurant earlier for lunch periods.

Sawyer was arrested by SIUE security officers Feb. 27. He was accused of taking sandwiches from a vending machine in the Peck Building, where he was on duty as a student janitor.

Order probation

Milton Sawyer, 19, of 210 Roosevelt Dr., Madison, was sentenced in Third Judicial Circuit Court today to a term of three months' probation on his plea of guilty to theft from a coin operated machine at Southern Illinois University at Edwardsville.

Bill Allen and Lynn Christie, entertainers who presently are appearing in the lounge, will be retained through mid-May, it was announced.

Dinner tomorrow to honor Venice's state basketball champions

Honors continue to be bestowed on the Venice Red Devil basketball team, which on March 15 upended Timothy Christian 65-46 at Champaign to capture the 1974-75 Illinois High School Association Class A state championship.

The team was greeted on its return here by more than 1,000 fans the day following its state title victory.

Illinois Governor Dan Walker appeared at Venice High School to congratulate Coach Richard Essington and his players, and numerous organizations have paid tribute to the champions in various ways.

Now, at 7 p.m. tomorrow, the annual Venice High School sports banquet will serve as a gathering place for Venice fans to further honor their team.

State Rep. Joe Lucco will serve as guest speaker at the dinner, which will be held at the American Legion Post 307 hall on Broadway in Venice.

Representatives of the Venice Lions Club and Tri-Cities Area Chamber of Commerce will present citations to Coach Essington and the team.

Players who had a role this season in the Red Devils' 32 wins out of 34 games include Reggie Gardner, 5-11 junior forward, James Crowder, 6-2 junior forward, Mike Henry, 6-6 senior center, Jeff Corrie, 5-8 senior guard, James Turner, 5-10 junior guard, Mike Logan, 5-11 senior, and Algie Crawford, Larry Arnold, Venice Gowan, Tim Walker, Bernie Woodrome and Ricky Salmond.

Some tickets have not been purchased and will be made available to the general public at the door of the American Legion home at a cost of $3 per person.

Events rained out

Heavy rains on Monday and Wednesday forced postponement of Quad-City area high school sports events — baseball, track and tennis.

Two events have been rescheduled: Tennis — GCHS South at Edwardsville on Thursday, April 24; baseball — GCHS South at East St. Louis on Tuesday, April 29.

6-1 Warrior win

Warrior netmen on Monday posted a 6-1 tennis victory at East St. Louis.

GCHS South results were: Bill Rusick 6-0, 6-1, Mike Papes 6-2, 6-2, Tim Frost 6-3, 6-4, Harold Rose 1-6, 3-6, Rusick-Frank Milnarec 6-1, 6-1, Papes-Frost 6-1, 6-2 and Mike Hayes-Kevin Worster 6-2, 3-6, 6-2.

Ice hockey mecca, Canada, beckons to Granite City team

P and S Amusement ice hockey players, Bantam Division members of the Granite City Amateur Ice Hockey Association, will take to the ice at Thunder Bay, Canada, this weekend in an attempt to add four more game victories to their 43-0 season record.

Players and their parents will depart from Lambert Airport at 6:30 p.m. tomorrow for Canada, where P&S will compete in two games on Saturday and two games Sunday.

P&S Coach Bill Hodge of Granite City relates that his squad will be competing against top-notch teams from Canada and Minnesota in the four-game series.

"One of the main factors will be how well we adjust to playing their type of game," Hodge comments.

P&S earned its glittering ice hockey season record, including four tournament titles, while playing in accord with American College Hockey rules. These rules allow a team to shoot and pass the puck from anywhere on the ice.

"In complying with Canadian Amateur Hockey rules," relates Hodge, "a team cannot shoot or pass the puck until the entire squad has crossed the red line (centerline).

"It simply means our forwards will have to make a mental note to stop at the centerline and wait for the puck."

The 16-member P&S team includes John Krekovich, Danny Fechte, Joe Juneau, Danny Taff, Todd McFarland, Kevin Mayer, Jim Gilliam, Ray Deien, Ben Brown, Gary Phelps, Will Connolly, Terry Page, Kent Pineda, Bill Portell, George Grove and goalkeeper Frank Prsha.

Prsha, during the season, helped hold opposing squads scoreless in 15 outings.

Boy

(Continued from Page 1)

than one pond and operated by a 2.6-volt battery.

The IX Pocketscope, a night vision image itensification system, is a consequence of the military's desire to observe enemy troop movements at twilight or in darkness.

It is the U. S. Army which is providing the miracle of night-time vision to the Granite City boy, with the generous assistance of U. S. Rep. Melvin Price (D-East St. Louis) in the role of expeditor.

"I thought he was going to stand out there and freeze to death, or end up with pneumonia," Mrs. Janet Young, the boy's mother, commented. "He just couldn't wait for it to get dark.

"His sister, Tracy, came running into the house yelling 'I know I saw a star' and John went flying out of the front door and there it was. He saw three more stars from the rear door.

"It's wonderful," John said.

Mrs. Young said John turned out all the lights in the house that first night. "I asked him what he was doing and he replied, 'I'm going to see if I can walk through all the rooms without bumping into the furniture.' He did it too. He didn't bump into a thing."

Even standing outside alone looking at the stars and seeing such commonplace things as the backyard fence at night seemed miraculous to John Allen Young.

It was when the boy was standing in the rear yard at the Young home that John's mother and father, Granite City Patrolman Albert Young, realized it was the first time in his life their son had been outdoors alone at night.

"He wanted to walk around the block by himself, but we though it better for him to wait until one of us could accompany him the first time," his mother said.

The Youngs have been fully aware that John was unable to see after dark since he was examined by Dr. Eliot L. Berson of Harvard Medical School and the Massachusetts Eye and Ear Infirmary at the Boston hospital in 1972. Results of electro-retinograph tests showed John had no night-time vision and probably had very little since birth.

John is the victim of retinitis pigmentosa, an eye disease which attacks the retina, the sensory membrane of the eye that receives the image formed by the lens and transmits the picture by the optic nerve to the brain. No treatment or cure has been found to arrest or retard the disease which always results in total blindness.

When few lights are on at night in the Young home, John constantly runs into furniture. That is why he roamed through the house that first night and was so delighted not to bump into anything, his mother explained.

The boy and his father traveled to Washington, D. C., and Fort Belvor, Va., in March where John was tested for the pocketscope at Belvoir's Night Vision Laboratories. Following the successful and dramatic results, the Army agreed to lend the device to the Granite City boy.

It was through Rep. Price the test was arranged. Dr. Berson informed the Youngs by letter that the pocketscope is on loan to John for one year so the boy can participate in the night vision pocketscope field trial.

Dr. Stephen Podos of Barnes Hospital will examine John periodically and will report his findings to Dr. Berson, it was learned.

To enable John see as many sights as possible before his daytime vision further deteriorates, the Young family is planning a one-week trip to Hawaii, with a three-day visit in the Los Angeles area to see Disneyland. With the pocketscope John will be able to see the inside exhibits at Disneyland, his father said.

To help his parents fulfill the boy's dream of seeing Hawaii, it was learned this week that Granite City Steel Management Club is hoping to provide some financial assistance.

The clear, star-filled nights of the South Pacific are guaranteed to leave John with a wonderful memory of the night-time sky, a memory which must last for many, many years.

PANCAKES SUNDAY

The Granite City Optimist Club's pancake and sausage brunch will be held at the Granite City Park District's Nameoki Recreation Center, Amos and Franklin avenues, Sunday. Serving will be from 8 a.m. until 1 p.m. Tickets for the "all-you-can-eat" affair are $2 for adults and $1 for children up to age 12.

Armenian services to mark 1915 massacre

Armenian communities throughout North America, Europe and the Middle East will conduct memorial services this month for 1.5 million Armenians who were tortured and massacred 60 years ago, in April 1915, by the Turkish government.

"Talait Pasha, the Turkish minister of interior at that time, had sought to eliminate permanently the reestablishment of the Armenian people," a spokesman said.

"In spite of the attempt to exterminate them, they were able to maintain their identity through strong religious ties, language, history and culture."

On Sunday on CBS-TV at 9 a.m., a program, "Lamp Unto My Feet," will present a report on the Armenian people. It will be narrated by Archbishop Karekin Sarkisian, prelate of the Armenian Apostolic Church of America.

To commemorate the 60th anniversary locally, memorial services will be conducted by the Rev. Khoren Habeshian on Wednesday, April 24, at 7 p.m. at St. Gregory Armenian Apostolic Church, 1732 Maple St.

James Trammel succumbs

James E. Trammell, 76, of 2808 Emzee St., a lifelong resident of the Quad-Cities, died at 7:30 p.m. Wednesday at St. Elizabeth Hospital where he had been a patient 12 days.

He was born in Vienna, Ill.

Mr. Trammell retired in 1965 after working 22 years as a pickle line operator at Granite City Steel. He was a member of the West 22nd Street Baptist Church.

His wife, Mrs. Bessie Trammell, died Sept. 30, 1974.

Surviving is a daughter, Mrs. John (Virginia) Daugherty, and two grandsons.

Y plans lifesaving course

The Tri-City Area YMCA will be conducting a senior lifesaving course this spring. The course will be concentrated into two weeks, beginning April 22.

The class will meet on Tuesday and Thursday from 6 to 11 p.m., on Friday from 5:30 to 7:30 p.m. and Saturdays from 3 to 7 p.m. The course will be completed on May 3. The YMCA course will run 32 hours with certification upon successful completion. Red Cross certification is available.

The course is open to anyone 15 years old and older who can swim a quarter-mile without stopping. Attendance at all meetings is required.

Cost of the course will be $15 for "Y" members and $25 for non-members. Registration will close Monday.

Driver trapped under his car

Michael Riefle, 22, St. Charles, Mo., was injured when his auto was forced from the westbound Interstate 270 approach ramp from Route 3 by another auto which attempted to pass on the narrow ramp.

Riefle's auto went down the embankment and struck a culvert and overturned on top of the driver. Rescue workers had to free him from under the car.

He was taken by ambulance to St. Elizabeth Hospital where he was admitted with injuries to his back, left leg and left arm.

Arrest on campus

Charles A. Hagler, 31, of 14 Iris Ave., Pontoon Beach, was arrested by Southern Illinois University at Edwardsville security officers at 9:20 p.m. Tuesday on charges of driving the wrong way on University Drive and driving while intoxicated.

Hagler was taken to the Madison County Jail, where he was released Wednesday on a recognizance bond.

Officers said the car Hagler was driving nearly hit an automobile being driven by a member of the SIUE faculty.

Informational meet April 29

A second informational meeting to discuss potential locations for a railroad grade separation between downtown Granite City and West Granite City will be held at the Prather Junior High School cafeteria Tuesday, April 29, at 8 p.m.

Mayor Paul Schuler will serve as moderator at the public meeting to which all persons interested in the project have been invited to attend. The meetings are being arranged by the M. W., Inc., architects and engineers, who have been retained by the city to make a location study to determine the most feasible location of the grade separation.

Cyclist hurt

Vernon Wilkerson, 26, of 5001 Rapp Road, was injured when his motorcycle and the car of Kenneth Buford, 1901 State St., Apt. 6, collided on Maryville Road at the Mueller Avenue at 10:30 p.m. Wednesday.

Wilkinson was treated at St. Elizabeth Hospital for cuts to the top of his head and to his chin, and abrasions to his right foot. X-rays were taken and he was released.

DAVID A. PORKOLA, who will present an organ recital at 7 p.m. Sunday at Niedringhaus United Methodist Church, 20th and Delmar Ave. Organist-choirmaster and minister of music at Grace United Methodist Church, St. Louis, he is a member of the organ faculty of Webster College. The recital is part of a four-week community fine arts series open to the general public.

Mrs. Kelih, 81, dies

Mrs. Josephine Kelih, 81, of Glen Carbon, mother of a Granite City man, died at 9:30 a.m. today at Jewish Hospital, St. Louis.

She was a former resident of Granite City and former member of St. Joseph Catholic Church.

Her husband, Paul Kelih, and a son Celestine Kelih, preceded her in death.

Survivors include two daughters, Mrs. Alex (Goldie) Rozycke of Madison and Mrs. Charles (Josephine) Bauer of Glen Carbon; two sons, Fredolin Kelih of Glen Carbon and Valentine Kelih of Granite City; a brother Joseph Besta of Granite City and five grandchildren.

Funeral arrangements are pending.

Anniversary tea Sunday afternoon

The Granite City March of Dimes committee will host a silver anniversary tea from 2 to 4 p.m. Sunday at St. John United Church of Christ, 2901 Nameoki Road, commemorating the mothers march which started 25 years ago.

According to Mrs. Bonnie Lazenby, a member of the planning committee, invitations have been mailed to workers.

UNDERGOES SURGERY

Hugh Hairston, 800 Main St., Venice, is recovering after surgery at Christian Welfare Hospital, East St. Louis. Hairston entered the hospital during the weekend.

News notes

Central Hardware will host 24 members of the West German Association of Do-It-Yourself Outlets tomorrow. They will tour Central Hardware's warehouse in Bridgeton and its recently-opened store at the Crossroads Plaza in Granite City. This area is on the West Germans' itinerary specifically to visit Central Hardware, largest hardware, lumber, paint and do-it-yourself retail operation in this region, with 22 stores in four states.

Motorcyclist hurt in crash

Harry Kuykendall, 33, of 5125 Lake Drive, Pontoon Beach, was admitted to St. Elizabeth Hospital after his motorcycle and the van of Gilbert Waelterman, St. Louis, were involved in an accident at 19th Street and Grand Avenue at 2:25 p.m. Wednesday.

Police said the northbound van began to cross 19th Street and the eastbound motorcycle was unable to stop. The cycle skidded 62 feet before it fell. The cycle and rider then slid another 37 feet on the pavement under the front end of the van, police said.

Kuykendall was taken by ambulance to the hospital with severe pain to his left shoulder and abrasions to both knees and to his back, face and chest. X-rays were taken and he was admitted.

While being examined in the emergency room, officials alleged finding a loaded gun in Kuykendall's pants pocket. Police charged him with unlawful use of a weapon.

Public invited to genealogy workshop

The Drusilla Andrews Chapter of the Daughters of the American Revolution (DAR) will sponsor a mini-workshop on genealogy Saturday, from 2 to 4 p.m. at Niedringhaus United Methodist Church, 20th Street and Delmar Avenue.

Two members of the St. Louis Genealogical Society, Mrs. Dorothy Griffith and Mrs. Ruth Seibel, will conduct the workshop assisted by local DAR members, Mrs. Emma Schoen and Mrs. Helen Gantcheff.

The workshop is open to the general public and there is no admission charge. Anyone interested in discovering the procedures to be used in starting to trace a family history or ancestor is urged to attend.

Russian system would mean dramatic changes

If the American system of business was eliminated and our living standards and life style changed to that of Russia, we would need to do away with 65 per cent of our automobiles, remove 14 of every 15 miles of paved highways, send 60 million people back to the farms, remove 90 per cent of our telephones and reduce payrolls by 75 per cent.

These facts were presented to the Granite City Rotary Club at its Tuesday noon meeting in the YMCA by Clifton E. Blankenship, superintendent of safety, training and employment benefits at A. O. Smith, representing the Tri-Cities Area Chamber of Commerce.

Blankenship presented a slide program titled, "The Day Business Stood Still," prepared by the National and Illinois Chambers of Commerce.

The slide presentation, which is available to any group by contacting the chamber office, was developed to improve the image of business.

"We refer to our system now as a competitive system, rather than a free enterprise system. Due to the multitude of government regulations business is not free in this country," Blankenship said.

"However, our competitive system still is far better than any other system in the world, and all we need to do is compare the facts. In our country it takes one hour of work to feed a family of four; it takes two hours in West Germany or England and five hours in Italy."

"Unfortunately 50 per cent of the people in this country do not understand big business and they think it is dangerous. I think it is fine to criticize to improve, but there is no other system that does as well. We in this country have six per cent of the population and six per cent of the land mass; but we have 50 per cent of the wealth."

"Most people think that big business makes as high as 28 per cent profit. In reality, the profit level is four per cent. You hear people say 40 per cent of the corporations don't pay taxes, and this is basically true because they are not making a profit to pay taxes on," Blankenship commented.

Rotarian Donald Van Horn, executive vice-president of the American National Bank, was program chairman Tuesday.

Next week, Rotarian Richard West will show a film titled," Steel Making and It's Future."

Distribute fines

Fines totaling $4,301 were distributed this month to Quad-City area municipalities and villages as part of $64,793 in fines collected in March in Madison County Circuit Court.

Granite City received $2,868, Madison $744, Venice $267, and Pontoon Beach $422.

The Madison County government received $20,662 from the fines.

MR. AND MRS. MILTON L. WORTHEN JR., whose wedding was solemnized at Our Lady of Queen Peace Church in Bethalto. The bride is the former Miss Sandra Sue Bohlen, a daughter of Mr. and Mrs. Harry Bohlen of Bethalto. *(Hollywood-Andrews Studio)*

Sandra Sue Bohlen and Milton L. Worthen Jr. wed

The wedding of Miss Sandra Sue Bohlen, a daughter of Mr. and Mrs. Harry Bohlen of Bethalto and Milton Lawrence Worthen Jr., a son of Mr. and Mrs. Milton Lawrence Sr., 1532 Lindell Blvd., was solemnized on March 21 at Our Lady Queen of Peace Church in Bethalto.

Organist Mrs. Leota Meisenheimer accompanied Miss Anita Mayes, who sang several selections.

The Rev. Keisen officiated at the 7 o'clock double ring ceremony before an altar adorned with arrangements of carnations and pom pons. White satin bows marked the family pews.

Miss Vicki Spinner, a cousin of the bride, registered guests at a reception held at Granite City Mosse Lodge 272, immediately following the service.

For her wedding, the bride chose a floor length gown of white dacron chiffon knit. Appliques of re-embroidered Alencon lace, etched with seed pearls, accented the Empire bodice and cuffed the long puff sleeves.

Matching lace traced the sheer yoke and formed a stand-up collar. The softly gathered circular skirt extended into a chapel train.

She wore a Alencon camelot hat to secure her lace-bordered cathedral veil and she carried a nosegay of white roses and lime green baby's breath interspersed with spring flowers in pastel hues.

The maid of honor was Miss Linda Bohlen, a sister of the bride. Bridesmaids were Miss Diane Bohlen, another sister, Miss Nancy Emert and Miss Joni Greer. All wore identical gowns fashioned of mint green organza.

Designed in Empire style, their dresses featured high necklines and long puff sleeves created in flocked pin-stripe organza. The softly flowing skirts of solid color fabric fell into a full sweep trains.

Each attendant wore a matching picture hat enhanced with ribbon streamers and held a multi-colored nosegay of tulips, jonquils, Elegance carnations, daisies and baby's breath.

Lori Swigert and Billy Donaldson, cousins of the groom, served as flower girl and ringbearer.

Attending the groom as best man was Paul Pashea. Groomsmen were Bob Rill, Gary Rushing and Rick Schuete.

Mrs. Bohlen, mother of the bride, selected a blue polyester dress trimmed with rhinestones at the waistline and neck. She wore silver accessories.

The groom's mother, Mrs. Worthen, was attired in an apricot colored knit gown embellished with crystals and bugle beads at the round neckline. Her accessories also were in silver. Both mothers wore orchid corsages.

After a wedding trip to Tan-Tar-A Resort in the Ozarks, the newly married couple now resides at the Tower Lake Apartments in Edwardsville.

William Staceys mark 40 years

Mr. and Mrs. William S. Stacey of Madison were honored during the weekend at a surprise party in observance of their 40th wedding anniversary given by their son and daughter-in-law, Mr. and Mrs. William R. Stacey, 2623 Stratford Lane.

A buffet luncheon was served. The table was appointed in white and ruby red and centered with a decorative bell and candelabra holding burning tapers.

Games were played and prizes were awarded to the winners. The honored couple was presented a money tree from their grandchildren, among other gifts.

Those attending were Mr. and Mrs. James Stacey, Martinsville, Ind.; Mr. and Mrs. Jerry P. Stacey and children, Vicky, Dawn, Jerry Jr. and Billy, Warrensburg, Mo.; Mr. and Mrs. Roger Stacey and son, Dale, Ripley, Tenn.; Mr. and Mrs. Allen Noah and children, Barbara, Terry, Angel and Misty and Mr. and Mrs. Wilson Scott and children, Kelly and Jody, Roxana; Mr. and Mrs. Jack Mitchell, Mr. and Mrs. Seldon Stacey and daughter, Sharon, David Stacey and daughter, Cheryl, and Jeffrey and Mike Stacey, all children, daughters-in-laws,° sons-in-law and grandchildren of the honorees.

Also present were Mr. and Mrs. David Schillinger and Pam Slate.

GC art education consultant honored

Eugene L. Aiassi, administrative consultant of art education for Granite City School District 9, has been notified by Dr. Ernest, director general, Intercontinental Biographical Association, Cambridge, England, of the former's selection to be listed in the association's yearbook.

In his letter to Aiassi, Dr. Ernest stated: "I am indeed happy to inform you that the Intercontinental Biographical Association has selected you and that you are now a member of the Intercontinental Association of recognized citizens of the world. You are immediately entitled to use the letters — MIBA — after your name."

Additionally, Aiassi will receive for his contributions to art education in the United States, a diploma of world recognition and an endorsed world passport under the registration number 1501, together with being listed in the yearbook, Dr. Ernest stated.

MISS SHERIE L. WORTHEN, who will become the bride of Gary A. Storey on May 3. Their engagement is being announced by her parents, Mr. and Mrs. Walter E. Worthen, 2448 Edison Ave.

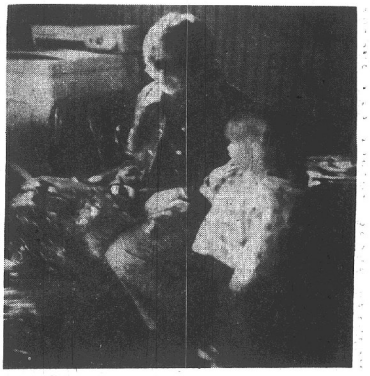

Storey-Worthen engagement

The engagement of Miss Sherie L. Worthen and Gary A. Storey is being announced by the bride-elect's parents, Mr. and Mrs. Walter E. Worthen, 2448 Edison Ave.

Plans are being completed by the engaged couple for a wedding on May 3 at Mount Zion General Baptist Church.

The prospective groom is a son of Arnold Storey of Granite City and Mrs. Melba Medley of Paducah, Ky. He graduated from Triad High School, Troy, and Southern Illinois University at Edwardsville. He is employed at the Veteran's Service Center, 2037 State St.

Miss Worthen was graduated from Granite City High School South. She now works at Tony's Drive-In.

HOMELESS ANIMALS will be helped through a benefit sale to be sponsored by the Quad-City Association for Protection of Animals from 10 a.m. to 6 p.m. Friday and Saturday, at 2002 Lindell Blvd. Mrs. Linda Wozniak, an APA volunteer, aided by daughter, Shelley, packs items for the miscellaneous sale.

Animals to benefit from two-day sale

The "world's largest" Christmas bell made of sheet metal will be offered at a benefit sale of miscellaneous items, scheduled Friday and Saturday, to aid the Quad-City Association for Protection of Animals (APA).

The public sale will be conducted from 10 a.m. to 6 p.m. on both days at 2002 Lindell Blvd. Proceeds will be used toward building a small structure to be utilized as an animal adoption center.

Monthly adoption clinics previously were held by the APA at Nameoki Village Shopping Center, but the organization was forced to relinquish its former site.

A shelter which can remain at a specific location, ready for the adoption sessions, is urgently needed by the unit, Mrs. Marty Bridges, project chairman, said.

Mrs. Bridges, who is being assisted in organizing the sale by several other volunteers, said the sheet metal Christmas bell hangs from its own chain and weighs between 20 and 25 pounds.

Various furniture pieces, books, Christmas decorations and evening clothing, also will be among the items offered at the sale.

BURGLARY ON E. 25TH

Items valued at about $332 were stolen from the home of Pat Gorman, 2525 E. 25th St., it was reported at 9:40 p.m. Tuesday. The means of entry could not be determined. The house was ransacked and taken were a $149 television set, a $99 tape deck and 24 tape recordings worth $84.

60 attend piano, organ recital

About 60 persons attended the fourth annual recital of piano and organ students of Miss Elizabeth Ann Ledbetter held this week at Johnson's Music Store in Bellemore Village Shopping Center.

Selections by Haydn, Rossini, Previn, Bacharach, J. S. Bach, Stephen Foster, Gounod, Scott Joplin and several other composers were performed.

Organ students included Doug Spalding, Tina Hanebrink, Debbie Aerne, Laura Rosales and Dana Spalding. Those performing on the piano were Ronald Davis, Melissa Anne Pennell, Susan Glasgow, Mary Beth Pennell, Karla Stawar, Jane Severine, Connie Stawar, Susan Squires, and Shannon Glasgow.

Duets also were played by Melissa and Mary Beth Pennell and Karla and Connie Stawar.

Each student received a certificate of merit for the past year's work.

Miss Susan Squires received the "Outstanding Student of the Year" award representing the most accumulated points given weekly for piano technique, interpretation, scale competition, attendance and daily practice.

A second place award went to Miss Karla Stawar in the same categories.

The dual winners of the major and minor scale competition were Karla Stawar and Shannon Glasgow.

100 attend marker dedication

Over 100 people attended the Blue Star Memorial Marker dedication ceremony conducted at Southern Illinois University at Edwardsville under the auspices of the Gardenaires Garden Study Club of Granite City.

The local gardening group purchased and installed the marker at the SIUE location to honor all men and women who have served or are now serving in the U.S. Armed Forces.

Dr. John S. Rendleman, SIUE president, accepted the memorial tribute, which was formally presented by Mrs. Charles Kohl, Gardenaires president, and Gary Storey, president of the Association of Collegiate Veterans.

A tea at St. Paul's United Church of Christ, located on the campus perimeter, followed the dedication. The tea table was attractively appointed in a red, white and blue color scheme.

At a business session of the club, Mrs. Kohl described activities at a District V organizational meeting at Scott Air Force Base, Belleville. She reported a district workshop is planned Thursday, April 24, at the Presbyterian Church, Route 161 and Royal Heights Road, Belleville, with St. Clair Country Club as host.

Mrs. A. A. Malotki Jr. and Mrs. Earl Glenn announced plans to attend the state convention of The Garden Club of Illinois, Inc., in Chicago, and Mrs. Kohl read an invitation to the Garden Study Club's annual guest day May 7 at Niedringhaus United Methodist Church.

Program themes for the coming year will be outlined at the club's May 8 meeting at the home of Mrs. Malotki.

Others taking part in the dedication activities were Mesdames Roy Harmonn, Mary Kristian, C. E. Eads, William Long, Alex Tarpoff, Abe Shannon, Leo Schank and John Farrell.

Wilson PTA elects Mrs. Baker

Mrs. Dorothy Baker was elected president of Wilson Parent-Teacher-Association at a meeting Tuesday evening at the school. She will succeed Mrs. Harriet Evans upon being installed May 20.

Others named to PTA posts were: Mrs. Barbara McCaskey, vice-president; Mrs. Diane Deitweiler, secretary and Mrs. Phyllis Geske, treasurer.

Plans were made for the annual picnic, set May 23 at the school, with Mrs. Audrey Laird appointed chairman. Volunteers are needed to assist with the project, it was announced.

A list of items for the classrooms and various pieces of equipment was submitted by the teachers for approval of the PTA unit, which plans to make the purchases with proceeds from a recent candy sale.

Several second and fourth grade students under the direction of Mrs. Mary Rogers, music teacher, presented the program.

Cub "Theme Fair" Saturday

The annual "Cub Scout Theme Fair" will take place from 2 to 4 p.m. Saturday, at St. Margaret Mary School, 1900 St. Clair Ave., Mrs. Vee Throne, Scouters Reserve chairman, has announced.

Mrs. Throne said all pack leaders and committee members are being urged to attend the event, which will feature Cub Scout themes for the next 12 months.

A baby-sitting service will be provided by Girl Scout Troops 107 and 368.

In addition to local participating units, three Cub Scout packs from the Kicapoo District and four units from the Illinois District will take part, Mrs. Throne advised.

Bay View plans 65th anniversary

Bay View Reading Club members met last week at the First United Presbyterian Church and reviewed plans for the club's 65 anniversary on May 8.

A salad luncheon and book review will be featured at the anniversary celebration at St. Peter Evangelical United Church of Christ.

Mrs. Ruth Huxel gave the club collect, and Mrs. James Stuart appointed chairmen to assist in arranging the May 8 luncheon.

Mrs. Helen Krumsiek introduced Mrs. Gladys Chapman who reviewed the book, "Cross Creek," an autobiography of Margie Kinnèr Rawlings, author of "The Yearling."

Hostess for the meeting, Miss Mary Frances Lynch, served luncheon to 15 members and two guests, Mrs. June VonGruenigen of Granite City and Mrs. Jim Lynch of Edwardsville.

Mrs. Dorothy McCauley will entertain the group at the May meeting.

Calvary Temple minister in area

The Rev. George O. Ankarlo, pastor of the Assembly of God Church, Maryville, Ill., said the Rev. Henry A. Greenwald of Springfield will conduct special services tonight through Sunday, at the church.

Services will begin at 7 o'clock each evening. Additional worship hours will be held Sunday at 9:45 and 10:45 a.m.

The Rev. Greenwald will use "Bible Prophecy" as his topic. His talk will include excerpts from "The Late Great Planet Earth" written by Hal Lindsey.

He is currently on the staff of Calvary Temple, Springfield, which boasts the largest Sunday school attendance in Illinois, with an enrollment of 3,000.

Mrs. Veach, hostess to Good News Class

The Good News Sunday School Class of Suburban Baptist Church was entertained in the home of Mrs. Lucille Veach, 3237 Willow Ave., last week.

Mrs. Edna Jackson presented the devotional on prayer and closed with the poem, "Let Your Wish Become a Prayer."

Meditations were offered by Mrs. Wanda Lyerla.

Mrs. Georgia Harlow, class president, and Mrs. Hildred Lewis, both of whom recently returned from Florida, reported on churches they attended while away.

Refreshments were served to those mentioned and to Mary Lou Summers, Evelyn Mohorn, Wanda Bradford, Ruth Goodman and Alta Mae Cockrell.

The May meeting will be with Mrs. Lyerla at her home, 1712 Moro Ave.

Chapter HT meets in Edwardsville

Mrs. Maurice Dailey of Edwardsville, formerly of Granite City, was hostess to members of Chapter HT, PEO Sisterhood, on Monday afternoon.

A study of the PEO state bylaws, illustrated in the form of a game, was directed by Mrs. Polly West as the program.

A dessert luncheon was served by the hostess to 20 members. At the next meeting at Niedringhaus United Methodist Church Mrs. Ed Reiske will serve as hostess.

Revival Sunday

A revial meeting will be held at 8 p.m. Sunday at the Trinity Church of God in Christ, 800 Bissell St., Madison, with the Rev. James E. Halloway as evangelist.

"This young man is reaching a fast-dying world with his 'soul' message of the Gospel and Rev. Halloway has invited the public to this revival session," Elder Norvell Woolfolk, pastor of the church, said.

Senior groups plan May 1 parade

The Granite City Senior Citizens Council met last week at the Senior Citizens Center and elected Mrs. Margaret Rutter as first vice-president and Mrs. Grace Paddock as secretary. Both will serve two year terms.

John Winklmeier was appointed planning committee chairman for the Senior Citizens parade, set May 1 at 10 a.m.

Edgar Paddock, council president, said all senior clubs in the Quad-City area are being invited to enter a float in the parade. Each entry should have the club name clearly marked, he said.

The Friendly Agers, a newly-organized club, was accepted into council membership and its president, Mrs. Mina Duggins, was introduced.

Mrs. Ruby Corbitt expressed appreciation to those contributing bazaar items to the Senior Citizens Fair at SIUE.

Refreshments were served to conclude the session.

STEAL MOTORCYCLE

A motorcycle worth $250 was stolen from the home of James Starling, 951 St. Thomas Road, Mitchell, it was reported at 6 p.m. Tuesday.

'65 GCHS reunion reservations

Deadline for reservations to the 10th reunion dinner dance of Granite City High School's 1965 graduating class has been extended to May 1, Mrs. Carolyn (Randolph) Yates, one of the organizers said today.

The event will take place June 21 in the Fischer's Restaurant ballroom, Belleville.

A good response from class members and friends has been received, but more are expected from the 775 graduates, Mrs. Yates said. Original notices listed a March 31 final date for reservations, she added.

Reservations cost $22 per couple and can be made by calling Mrs. Yates, at 877-1958, Mrs. Pat (Mitchell) Morris, at 877-1994, or Mrs. Jackie (Grove) Furhman, at 931-5561.

A social hour is planned from 6 to 7 p.m., followed with dinner from 7 to 9 p.m. and dancing to the "Prism" from 9 p.m. until 1 a.m.

Ticket chairmen named for Festival concerts

Chairmen of Mississippi River Festival pre-season coupon book sales were announced Tuesday by Lyle Ward, managing director.

Coordinating the volunteer organization in Illinois is Mrs. Larry E. Hepler, 1239 St. Louis St., Edwardsville. Missouri volunteers are headed by Mrs. Marcel Saghir, 6 Ridgetop Drive, Richmond Heights.

More than 100 volunteers from the St. Louis metropolitan area are involved in the annual coupon book campaign, which hopes to realize $100,000 in pre-season sales before June 30th. The coupon books, which sell for $20, offer $25 worth of coupons which are redeemable for tickets to any MRF event.

"Coupon book purchasers have both the advantage of the 20 per cent discount and the exclusive ability to purchase tickets during April, through redemption of coupons by mail order or in person at the SIUE ticket office," Ward noted.

Regular mail orders will be filled beginning May 1 at the SIUE ticket office, and more than 40 bi-state outlets will open for sales of tickets and coupon books on June 2.

City and area coupon book leaders for Illinois and their telephone numbers are:

Edwardsville, Mrs. Charles Schroeder, 656-0676; Wood River, Mrs. Tom Lakin, 259-5293; Granite City, Mrs. James C. Byers, 876-5060; Collinsville, Mrs. Adele Leskera, 344-7929; Centralia, Sandy Swanson, 533-1357; Litchfield, Mrs. Eugene Barenhotz, 217-324-4330; Highland, Mrs. Ed Ferguson, 654-2654; Jerseyville, Mr. and Mrs. Frank Daniels, 498-4184; Alton, Mrs. Robert A. Lynn, 462-2320; Belleville, Mrs. Miller Heichert, 233-8072; Godfrey, Mrs. Don Marshall, 465-2314.

Missouri area chairmen are: St. Charles, Mrs. R. Cannon, 724-1855; Warson Woods, Mrs. John B. Buettner, 822-7612; University City, Mrs. Diane Shelton, 862-5923; Creve Coeur, Mrs. C. D. Meadows, 878-1027; South County, Mrs. Robert Wimpelberg, 843-9852; North County, Mrs. Edwin Warren, 381-8880; Clayton, Mrs. Wallace Gingerich, 862-4916; Frontenac, Mrs. David Kurr, 821-3929.

Mrs. Byers, 2317 Cleveland Blvd., is being aided by a ticket committee consisting of:

Mrs. Kiril Kirchoff, 18 Oaklawn Drive.

Mrs. Joseph Owens, 3255 Willow Ave.

Mrs. James Henderson, 1616 Lindell Blvd.

Mrs. Leon Scroggins, 1350 Twenty-seventh St.

Rotarians honor Red Devils

The State Class A Basketball Champion Red Devils of Venice High School were guests of honor at the Wednesday noon meeting of the Madison-Venice Rotary club at the Madison Recreation Center, Seventh and Lee streets, Madison.

Rotarian Robert Vickers, program chairman, introduced Coach Richard Essington who in turn, introduced the team and made brief comments on how each member contributed to the state championship.

Members of the team introduced were Algie Crawford, Jeff Corrie, Mike Henry, Mike Logan, James Crowder, Reggie Gardner, James Turner, Larry Arnold, Venice Govan, Tim Walker, Bernie Woodrome and Ricky Salmond.

The M-V Rotarians also had as guests the basketball cheerleaders and their faculty adviser, Miss Irene Hackett, along with Lewis E. Sabin, VHS principal, and Kenneth Perkins, the grade school coach.

John Blasingame, president of the M-V Rotary club reminded the club members of the public dinner honoring the team Friday evening at the Venice-Madison American Legion building.

The club approved the purchase of two new outdoor Rotary signs, and a contribution to the Madison Khoury league and OATH, Inc. (Organization for the Advancement of the Handicapped).

The club will hold its meeting next Wednesday at the OATH, Inc., building at Seventh and State streets.

SPECIAL MEETING

The Madison School Board at a special meeting Tuesday reviewed the qualifications of several architects for the possible future building of a new school if state funds are approved. Final selection will be made at the regular board meeting today at 7:30 p.m. in the board office, 1707 Fourth St., Madison.

Manager of River Fest productions

MRS. VICKY HOLT

Appointment of Mrs. Vicky Holt as arts administrator and manager of the Outdoor Performing Arts Facility at Southern Illinois University at Edwardsville has been approved by the SIU Board of Trustees.

Mrs. Holt's primary duties will involve serving as concert manager for the Mississippi River Festival (MRF), responsible for supervision of facility personnel and production of all facility events, according to Lyle Ward, managing director of the MRF.

She is a 1970 graduate of the University of Missouri at Columbia with a bachelor of science degree in education.

She has taught speech, English and theater at the high school level in Nebraska and St. Louis, and currently is completing her master's degree in theater at SIUE.

A drama instructor at Parkway North Senior High School for three years, Mrs. Holt produced and directed 11 theater productions. She served on the All-District Arts Council and hosted the visit of the Baltimore Center Stage Mime Troupe to the St. Louis area.

A native of Cape Girardeau, Mo., she completed three years of undergraduate studies at Southeast Missouri State University, Cape Girardeau.

She was elected to four honorary organizations, Sigma Tau Delta (English), Kappa Delta Pi (education), Black Mask (drama) and WAKAPA (all-campus). She also is a member of the American Theater Association and the University Theater Association.

Mrs. Holt and her husband, Tom, live in Clayton.

Spring concert tonight

The Granite City Orchestra students will present their annual Spring Concert at 7:30 p.m., in the Coolidge Junior High School gymnasium.

The Reading Orchestra, consisting of junior high, senior high, and advanced sixth grade students, will perform "Fumble Fingers" by Capanegro, "Legend" by Tchaikovsky, "Ode to Joy" by Beethoven, "Sinfonia A Huit" by Stamitz, and "Canyon Sunset" by Capanegro.

David Tripp, a sophomore at GCHS South, will play the "Prelude in C Minor" by Rachmininoff. David studies piano with Marge Ellsworth. He plays violin and viola in the orchestra.

A special feature of the concert will be the "Twinklers" 5 through 7 year-old violin students. This group studies privately with Linda Beane. They will perform a few short selections to illustrate the adaptability of the violin and the rewards of an early beginning on an instrument.

The final segment of the program will be the Suzuki students, featuring 120 fourth through seventh grade students. They will play selections from "Listen and Play" books one, two and three.

Admission is free, and the public is invited to attend.

Charter Lincoln Athletic Club

The state of Illinois has issued a not-for-profit corporation charter to the Lincoln Athletic Club, 1722 Maple St., Granite City.

Vasil Eftimoff, Andrew Hagopian and Leland Ambuehl are charterers. The club is for social and athletic purposes, according to the charter.

Richard Allen, attorney, 2945 Madison Ave., is correspondent.

On Pacific tour

Marine PFC Arnold E. Meyer Jr., son of Mr. and Mrs. Arnold Meyer, 216 Wilson Park Lane, has left Okinawa for a six-month deployment in the Western Pacific aboard ships of the U.S. Seventh Fleet.

He will participate in training exercises with the 3rd Batalion, 9th Marine Regiment, at Camp Fuji, Japan, and other expeditionary camps in the Far East.

Mobile home is looted

All the furniture, applicances, dishes and nearly all the other furnishings were stolen from the mobile home of Linda Parker, 1324 Slough Road, it was reported at 2:35 p.m. Tuesday.

When she returned home, she found the furnace turned up full and all the burners on the gas stove ignited as the burglars were believed to have attempted to set fire to the unit.

Several incidents of burglary and vandalism have been reported at the mobile home recently.

REVIVAL CONTINUES AT APOSTOLIC PENTECOSTAL

Revival services will continue each evening through Saturday, starting at 7 o'clock, at the Apostolic Pentecostal Church, 2635 Missouri Ave., the Rev. Eugene Brown, pastor, said today.

The Rev. L. H. Scoby is the evangelist.

Secretaries Week starts Sunday

Granite City Mayor Paul Schuler has issued a formal proclamation designating the week of April 20 to April 26 as Secretaries Week and Wednesday, April 23, as Secretaries Day.

On hand for the proclamation signing at the City Hall were Sally Gracey, president of the Tri-Cities Chapter, National Secretaries Association (NSA), and Twila Edmonds, Illinois Division treasurer.

Although NSA officially sponsors the week-long observance, the celebration is not limited to NSA members, but to secretaries everywhere who are an indispensable and integral part of management's administrative team in business, industry, education, government and the professions, Mrs. Lana Randolph, Secretaries Week co-chairman, stated.

Special attention during the week will be focused upon the Certified Professional Secretary program which provides certification to secretaries successfully completing a CPS examination. At present, the Tri-Cities Chapter has three CPS members—Charlsie Vunovic, Gail Foley and Mrs. Randolph.

Under the chairmanship of Mrs. Randolph and Joanne Kowalski, several special events have been arranged for the observance.

Persons interested in participating in any of the activities, or securing more information about the local chapter, are invited to call Mrs. Randolph, at 345-1137, or Joanne Kowalski, at 235-2385.

The week's agenda includes:

Sunday—Church service at Shrine of Our Lady of the Snows, Belleville, followed with brunch.

Wednesday—Secretary of Year dinner at Holiday Inn-Riverfront Mansion House Center, St. Louis. Reception at 6:30 p.m., dinner at 7:30 p.m. Reservations $9.25 per person. The guest speaker will be Gentry Trotter, critic-at-large for KMOX-TV.

Friday, April 25—Luncheon at Missouri Athletic Club at noon. Reservations $6.50 per person.

"Whereas, In honor of the secretary, the week of April 20 to April 26, 1975, has been designated as Secretaries Week; and

"Whereas, In keeping with the best tradition of their profession, secretaries are accepting vital responsibilities and are performing important roles in commerce, industry and government; and

"Whereas, Professional development for secretaries should be stressed to remind the secretary of benefits from continued education and to remind the employer he will gain a better qualified secretary; and

"Whereas, To honor the secretaries now doing their jobs diligently and to encourage others to enter this worthy career, it is essential that rightful recognition be given to them.

"Now, Therefore, I Paul Schuler, Mayor of the City of Granite City, do hereby declare the week of April 20 to April 26, 1975, Secretaries Week and ask that all business and industry join in giving due recognition to this group, paying special attention to Secretaries Day on April 23."

16 inducted into Moose Lodge 272

Sixteen new members were inducted into Granite City Moose Lodge 272 in ceremonies conducted by the lodge ritual team. The event took place during the weekend at the Moose Club, 19th and Adams streets.

Those initiated were Richard Jones, James Williams, Paul Dunn, Leon Grubbs, Earl Bryson, Roy Harlon, Richard Herley, Louis Mehl, Paul Schuler, Earl Matthews, Charles Pepper, Daniel Dunn, William Landman, Donald Bridges, David Morris and Edward Collins.

Instructing the new candidates were Harold Harris, Walter Anders, Jack Wilson, Charles Schafer, Darrel Hamilton and Ed Chastain.

Roy Luekemeyer, a pilgrim brother and Southern Illinois membership chairman, was the guest speaker. Special guests attending the meeting included Elmer Dintelmann, District 10 president; Pilgrim Brother Fred Price, chairman of District 10 board; and Fred May, District 10 civic affairs chairman.

Dinner was served to 200 people by members of the Moose. The hostesses included Mesdames Jean Tellor, Ruth Stover, Edna Miller, Donna Westbrook, Mildred Walker, Karen Anders, Ellen Pabst and Helen Davis.

After the ceremonies the new members, guests and members enjoyed dancing to the music of the "All Occasions."

AMPLIFIER TAKEN

Danny Rill, 2501 E. 23rd St., reported someone entered his house by the kitchen window during the weekend and took a receiver amplifier valued at $850. Nothing else was reported missing or disturbed.

Presbyterian ministers from inner city and Sudan to speak

Two outstanding churchmen will be heard Saturday at the Nameoki United Presbyterian Church.

One works with the urban poor in a large metropolitan area in the United States and the other is a leader in the Presbytery of the Sudan, located south of the Sahara and Libyan deserts and north of the tropical forests of Central Africa.

The Rev. Ezekiel Kutjok, general secretary of the 6,000-member Presbytery of the Sudan, will be guest speaker at the father-son breakfast at 8 a.m. Saturday.

A Shilluk by birth, the Rev. Kutjok is responsible for directing 13 pastors and a score of evangelists in the primitive grasslands region of Africa.

The crowded streets are the "parish" of the Rev. Gerald Wise, who will speak at a monthly meeting of the Mariners at the church at 6:30 p.m. Saturday. Interested persons are invited at attend the program and may call 877-4470 for reservations.

As a minister to the urban poor of Minneapolis, the Rev. Wise works with persons in jails, hospitals and on the streets.

He directs his social service ministry with programs for senior citizens to children of the pre-school age level, including a theatre group with wide appeal in the Twin-Cities area known as "Alive & Truckin.'"

His diverse ministry also focuses on housing, education and welfare reforms, the Rev. Don F. Pierson, pastor of the Nameoki church, reported.

The Mariners are under the direction of Charles and Rita Overath. Bill and Nora Corzilius will be hosts Saturday evening.

Moosehaven is chapter topic

Mrs. Irene Weyhaupt of Women of the Moose Chapter 53, Belleville, a former member of the grand council, was guest speaker at the "Green Cap Day" program of the Granite City Chapter 247. She spoke on "Activities at Moosehaven."

Special honors during the program were accorded Mrs. Margaret Houseman, Chapter 247 junior graduate regent and a Green Cap member.

Other out-of-town guests present included Florence Biehl, Chapter 53, Belleville, also a former grand council member; Bertha Dudley, post deputy of Chapter 263, Wood River and Sue Glenn, Green Cap member, Chapter 1214, Carbondale.

Also attending were 20 members of the College of Regents from area chapters; 18 visitors; 39 chapter hostesses and eight lodge members.

Senior Regent Nancy Hamilton of the local chapter opened the meeting and enrolled Mrs. Margaret Hester and Mrs. Verna Michel as new members.

Dinner was served to 57 by a committee headed by Mrs. Pat Lipscomb.

During last week's business meeting, Chapter 247 observed membership chapter night. Mrs. Hamilton discussed plans for the men's installation of officers at 6:30 p.m. April 26.

Mrs. Helen Davis, recorder, gave her report.

A social hour followed the session, with Mrs. Doreen Basan serving refreshments to 40 members. Prizes went to Miss Ruth Stover, Margaret Houseman and Mrs. Hester.

The chapter will hold a regular meeting Wednesday night.

Calvary class prepares favors

The Christian Homemakers Class met at Calvary Baptist Church for a business session and workshop to prepare favors for delivery to the local hospital and nursing homes.

Mrs. Retha Tripp and Mrs. Dorothy Watkins served a dessert luncheon after the meeting.

Those present were Ruth Dagon, class teacher; and Mesdames Thelma Dutton, Thelma Phelps, Dorothy Burnett, Dorothy Watkins, Alice Young, Pauline Hall, Pauline Seebold, Grace Heltsley, Lucille Bartlett and Phyllis Knight.

IN GERMANY

Army Private Raymond D. Landreth, son of Robert L. Landreth, 4357 Highway 162, Granite City, is assigned as a truck driver with the 37th Artillery at Herzogenaurach, Germany.

Goodpaster dinner tickets available

Tickets are available here for a dinner honoring a Granite City native, General Andrew J. Goodpaster.

The retired U.S. Army four-star general will be the main speaker at the annual public affairs dinner of the St. Clair County Medical Society Thursday, May 1, at Augustine's Restaurant, Belleville.

Gen. Goodpaster is a former supreme commander of all North Atlantic Treaty Organization forces in Europe and was staff secretary or advisor to three U. S. presidents. He retired in December after 40 years of service.

During retirement ceremonies at Ft. Myers, Va., Gen. Goodpaster was honored by Defense Secretary James R. Schlesinger and other high government officials.

Goodpaster recalled at the ceremony being at home in Granite City when a young Congressional assistant named Mel Price drove to his home to announce young Goodpaster's appointment to West Point as an Army cadet.

Price now is the U. S. representative from this district and is chairman of the Armed Services Committee. The two conferred frequently over the years in their official capacities representing Congress and the armed services.

GEN. A. J. GOODPASTER

Goodpaster spoke of his "appreciation and retrospection" about a career which took him from Granite City to West Point; to North Africa and Italy; to Princeton University for three graduate degrees; to ranking staff positions in Washington, D. C.; to the White House to serve President Dwight D. Eisenhower as staff secretary; to Vietnam, and to NATO.

He helped to organize the Treaty Organization about 25 years ago and, during the early 1950s, became close to Gen. Eisenhower. He left NATO to become staff secretary when Eisenhower was elected as president.

He served briefly in the same capacity to President John F. Kennedy and was recalled from Vietnam in 1968 by President Richard M. Nixon as his advisor on National Security Council procedures and military policy questions.

He earlier was on the staff of the Joint Chiefs of Staff.

He was appointed NATO and U. S. commander in Europe on March 12, 1969. He also served briefly in 1968 as deputy commander of U. S. forces in Vietnam.

Gen. Goodpaster is the holder of the Silver Star, Distinguished Service Cross and Legion of Merit with Oak Leaf Cluster, among other decorations. He received the Distinguished Service medals of the Air Force, the Navy and the Army during his retirement ceremonies.

The St. Clair County Medical Society's annual dinner event will begin with a social hour at 6 p.m., followed by dinner at 7 p.m. Gen. Goodpaster will speak following the dinner.

Tickets to the event are $7.50 per person. Reservations, available on a limited basis, may be made by calling Norman Holsinger at 451-9998 or by calling or sending a check by mail to the St. Clair County Medical Society's office at 4825 W. Main St., Belleville.

Benefit dance to be Saturday

A special meeting to finalize plans for a benefit dance Saturday was held at the home of Nancy and Richard Stanfill, 2304 Terminal Ave.

The dance will be held at the Polish Hall in Madison. Tickets are $3 per person which includes refreshments and entertainment by the Miguel Luna Orchestra.

The band will play from 9 p.m. to 1 a.m. Setups and Mexican food will be available. Tickets will be sold at the door.

All proceeds will be placed in the strike fund to aid farm worker supporters of Caesar Chavez who wish to stand their ground and choose their own union representation, according to the committee.

Meal Planning For The Older Person

Remember the old adage "You are what you eat!" The basis of good health at any age is to eat a wide variety of foods so that each of the necessary vitamins, minerals and protein are included in the whole diet. The United States Department of Agriculture recommends that a well-balanced diet for the older person should include the following each day:

- 2 or more servings of milk and milk products: a serving constitutes 8 oz. of fluid milk, yogurt or 1½ cups cottage cheese; 2" cube cheddar-type or 3 scoops of ice cream.
- 4 or more servings of fruits and vegetables: a serving equals ½ cup of any fruit or vegetable, (raw or cooked), or a normal portion such as one medium apple, banana, or potato. A serving of food rich in Vitamin C is essential.
- 2 or more servings of meat and meat alternates: one serving is 2 to 4 oz. of meat, fish or poultry; 2 eggs or 4 tablespoons of peanut butter. Nuts, dried peas or dried beans may be substituted for meat, fish, poultry or eggs.
- 4 or more servings of cereals, breads and pasta: one serving equals ¾ cup oatmeal; 1 cup enriched cereal; 1 slice enriched bread or ¾ cup enriched macaroni.

If you find the suggested portions of foods too ample for you, reduce the size of each serving. DO NOT ENTIRELY ELIMINATE ANY OF THE FOOD GROUPS.

$1 billion steel budget for new pollution curbs

Domestic steelmakers plan to spend more than $1 billion to build new air and water quality control facilities, according to a new survey by the American Iron and Steel Institute.

The report, which covers firms producing 95 per cent of the nation's steel, reveals that at the beginning of this year, these companies had budgeted $1,055,950,000 for pollution control equipment scheduled to go into operation in 1975 and later years — $705,925,000 for air and $350,025,000 for water.

This is an increase of more than 64 per cent from the $643,203,000 similarly budgeted at the beginning of 1974.

It is also nearly 25 per cent higher than the $844,915,000 installed cost of all steel industry environmental quality facilities placed into operation between the beginning of 1970 and the end of 1974. This figure includes $490,510,000 for air pollution abatement units and $354,405,000 for water purification facilities.

During 1974, steel companies placed in operation $198,865,000 worth of air and water quality installations, nearly double the $100,110,000 in such facilities completed during 1973.

Industry experts estimate the annual cost of operating and maintaining pollution control facilities at 12 per cent of their original installation costs, not including fixed costs such as depreciation, taxes and interest.

Such operating and maintenance costs are now exceeding $200,000,000 a year for the nation's steel producers.

Man is struck with blackjack

Harold Ballentine, 33, of 421 Broadway, Venice, has been released from St. Elizabeth Hospital, where he was a patient after allegedly being beaten with a blackjack in the front doorway of Holman's Bar, 1344 State St., during the weekend.

Ballentine and three other men were preparing to enter the tavern and Ballentine had just begun to pay the admission charge when a man pushed him out the front door, saying he was barred from entering, he told police.

A fight developed and Ballentine was struck several times with a blackjack, it was alleged. He was taken by a relative to the hospital, where he was admitted with several cuts to his scalp and face, and minor bruises to the left side of his chest.

Police are investigating the case and also are checking reports that another man displayed a gun during the altercation.

Team to evaluate North High

Gilbert Walmsley, principal of North High School, has announced that the North Central Association Illinois Committee has appointed the team members who will be visiting North High April 21, 22 and 23.

The team of 28 members will be chaired by Neal Schmelzel, principal of Edwardsville High School.

North Central Association of Colleges and Secondary Schools teams are composed of educators who volunteer their time and talens in the association's region-wide efforts to help member institutions study and appraise the quality of their programs.

Members of the team that will be visiting GCHS North are Dr. Gene Allsup, John Bilgere, Walter Bishop, Blaine Bonynge, Dr. Bruce Brubaker, Rodney Buffington, William Burcky, Gayle Day, William Dearworth, Guy DeChiara, Raymond Dragich, Gerald Dusek, Dr. Anna Fults, Jack Gilmore, Dr. Dorothy Hart, Mrs. Ruth Heiligenstein, Chet Hughes, Mrs. Josephine Paisley, Bon Papp, Dr. Paul Phillips, Dr. Jack Richardson, Maxine Stevenson, Wallace Stevenson, W. Dean Taylor, Mrs. Van Aken, L. D. Vuillemot and Dr. George T. Wilkins.

Principal Walmsley explained that "North Central Association membership requires every school to undergo a complete evaluation once every seven years.

"The evaluation includes a comprehensive self-study by the school, and then a review by a team of outside educators." GCHS North is in its second year of operation.

After the team's visit, the staff will consider recommendations made by the team and the recommendations that resulted from the school's self-study.

The staff will then decide on areas of the program that need to be strengthened, and will devise a schedule of steps toward improving those areas.

Walmsley called the evaluation "a difficult but productive task. It's the kind of thing we all should do with our own personal life plans every now and then."

Margaret Juhasz becomes Mrs. Roy D. Phillips Jr.

Miss Margaret Anne Juhasz and Army Lieutenant Roy Davis Phillips Jr., exchanged wedding vows in an afternoon ceremony on April 5, at Sacred Heart Roman Catholic Church.

Easter lilies adorned the altar for the 3 o'clock double ring ceremony performed by the Rev. Daniel Flynn. Nuptial selections were sung by John Stanfill, accompanied at the organ by Mrs. Margaret Crawshaw.

Servers were Dan Juhasz, brother of the bride, and Tim Smolar.

The bride is a daughter of Mr. and Mrs. John M. Juhasz, 2933 Madison Ave. Parents of the groom, Mr. and Mrs. Roy D. Phillips, reside on Rural Route Five, Candler, N.C.

Escorted to the altar by her father, the bride chose a full length gown of white organza, featuring bands of Venise lace edging the sheer yoke. Tiny lace appliques formed the high neckline and marked the cuffs of the short sleeves. Matching appliques encircled the waistline and hem of the A-line skirt, which swept into a chapel train.

Her chapel length veil was enhanced with white daisies and baby's breath and she carried a nosegay of multicolored spring flowers.

Mrs. Edward Ryan was honor attendant and Miss Paula Phillips, a sister of the groom, served as bridesmaid.

They selected formal length gowns created of maize knit with Empire bodices, complemented with matching jackets made with butterfly sleeves.

Each attendant wore a band of yellow daisies and baby's breath in her hair and carried a nosegay of spring blossoms.

The groom chose Robert Hicks as his best man. John Juhasz, the bride's brother was groomsman and Ronald Palmer seated the guests.

The reception was held at the Knights of Columbus Hall. A rehearsal dinner was hosted at Sunset Hill Holiday Inn, on the evening preceding the wedding.

The newly married couple resides in Colorado Springs, Colo., after a trip to the Ozarks.

For her daughter's wedding, Mrs. Juhasz, selected a long pink polyester knit gown, designed with a beaded waistline and collar.

The groom's mother was attired in a full length powder blue gown.

The bride, a graduate of St. John's Mercy Hospital School of Nursing, also attended Southern Illinois University at Edwardsville and the University of Colorado, at Colorado Springs.

Her husband was graduated from the U. S. Military Academy at West Point. He is currently assigned to air defense duties at Fort Carson, Colo.

Out-of-town guests here for the wedding included the groom's parents, Mr. and Mrs. Roy Phillips; Mr. and Mrs. John Rapp, and Mr. and Mrs. Wilmer Hemann, New Douglas, Ill.; Mr. and Mrs. Cecil Harmon, Sorento, Ill.; Mr. and Mrs. Leo Schmersahl, O'Fallon, Mo.; Mr. and Mrs. Eugene Dehn, Washington, Mo.; Mrs. Randall Cahill, Lubbeck, Tex.; Mr. and Mrs. Melvin Kramer, Truxton, Mo.; Mrs. Ruth Folsom and Miss Ruby Phillips, Ashville, N.C.; Dr. and Mrs. Ronald Palmer, Colorado Springs, Colo.; Lt. and Mrs. Robert Hicks, Widefield, Colo.; Mr. and Mrs. Edward Ryan, Cottleville, Mo.; Mr. and Mrs. Michael Gaubie, Mr. and Mrs. Russell Schindler, Mr. and Mrs. Gerald Cavanaugh, Dr. and Mrs. Thomas Blanke, Mr. and Mrs. Richard Anguin, Miss Janet Seiler, Miss Ruth Backs, Mr. and Mrs. Delbert Tax, Mrs. Dean Talley, Mrs. Leo Ahring, all of St. Louis; Mrs. Darrel Kraus, Mexico, Mo.; Mr. and Mrs. Eichen, Godfrey; and Misses Ann and Mary Toth, Alton.

MARRIED, Army Lieutenant and Mrs. Roy Davis Phillips Jr., whose wedding took place at Sacred Heart Catholic Church. The bride is the former Miss Margaret Anne Juhasz, a daughter of Mr. and Mrs. John Juhasz, 2933 Madison Ave.

94 at Golden Age Club dinner

Ninety-four members and guests were present for a monthly dinner meeting of the Golden Age Circle Club held last week at Kirkpatrick Homes Recreation Hall.

Mrs. Caroline Lux, vice-president, introduced guests, Mrs. Bernice Johannigmeier, Emma Steinberg, Iva Olive and the Rev. Donald Clark, pastor of Mount Zion General Baptist Church, who gave the invocation.

Edgar Paddock reported on proceeds from a sales booth at the Senior Citizens Spring Fair at Southern Illinois University at Edwardsville.

Two new members welcomed by the group were Glen Lowe and Mrs. Vina Law.

After the meeting games were played and prizes were won by Peggy Gibbons, Verna Moehle, George K. Durbin, Elisabeth Gazso, Fern Johnson and Carmen Allen.

The next meeting will be April 22.

Club plans fund project

The Venice Women's Club met during the weekend at the Venice Recreation Center and agreed to sell purses and wallets as a project to provide funds for scholarship awards.

During the business session it was announced that flowers and congratulations had been sent to the Venice High School basketball team on winning the state tournament.

It was noted that floral arrangements were sent to members who are ill.

Games were directed by hostesses Mesdames Margaret Seibert, Josephine Johnisee, Ilsa Bauer, Nora McCold and Hazel Painter.

They also awarded prizes to the winners and served a dessert course from tables decorated with bouquets of spring flowers and yellow candles.

Others attending were Mesdames Naomi Boelling, Ora Anderson, Mamie Ponce, Ruth Ohlendorf, Jessie Foley, Vivian McKinney, Bertha Pace, Elsie Cavner, Evie Owens, Ruth Cavner, Rose Scaturro, Clara Krause, Bess Snell, Sybil Robbs, Lula Kowalski and Madonna Groshong.

INFANTRY TRAINEE

Marine Pvt. Terry L. Atkins, 2439 Bryan Ave., has completed Infantry Training School at the Marine Corps Base, Camp Pendleton, Calif. He received specialized instruction in infantry weapons and tactics.

Elmore-Nash betrothal told

Mr. and Mrs. Richard Nash, 316 Highway 203, Madison, are announcing the engagement and approaching wedding of their daughter, Miss Dorothy Marlene Nash, to Army Private William "Bill" Elmore.

The prospective groom is a son of Mr. and Mrs. Wayne Elmore Sr., 8 Violet Ave. He is a graduate of Granite City High School North and presently is stationed at Fort Leonard Wood, Mo.

Miss Nash is a 1974 graduate of Madison High School.

Plans are being completed for a June 8 wedding.

"Purple Knights" entertain seniors

The "Purple Knights" provided music for dancing, following a business meeting of the Granite City Chapter 1340 of the American Association of Retired Persons, Inc., held at the Brunswick Tri-Mor bowl.

Mrs. Vina Law, president, presided and Mrs. Ruby Corbitt led the prayer and pledge of allegiance.

Mrs. Norma Mendoza, director of Retired Senior Volunteers Program (RSVP), spoke about area volunteer programs and requested aid from the members.

Reports were submitted by Mrs. Grace Range, secretary, and Mrs. Clara Schillinger, treasurer. Mrs. Law reviewed a program she attended in Highland at the invitation of the Granite City Park Board, and Lowell Law suggested a larger center now is needed for club meetings.

A total of $201 was realized from the sale of donated items at the Senior Citizen Fair held at SIUE, according to Mrs. Grace Paddock of the Senior Citizens Council. Mrs. Vernice (Wortman) Walter, public relations committee member, sought more volunteers for the Generation Alliance Program (GAP), a senior-youth organization.

A board session on Wednesday at the Senior Citizens Center and a social meeting and dance on May 14 at the Croatian Hall, Madison, were announced.

The first practice session of a new kitchen band, organized by the AARP, has been held and rehearsals are scheduled every Monday night, Mrs. Law said.

Refreshments were served and Mrs. Caroline Lux awarded prizes during the social hour.

Ends Marine tour

Marine PFC. Lester L. Parmer Jr., son of Mr. and Mrs. Lester L. Parmer, 3 Kaseberg Park, recently returned to the Marine Corps Base, Camp Lejeune, N.C., after a training deployment to the island of Vieques, Puerto Rico.

As a member of the 1st Battalion, 10th Marine Regiment, he took part in artillery firing practice and visited San Juan while deployed.

JUNE BRIDE-ELECT. Miss Dorothy Marlene Nash, whose engagement to Army Private William "Bill" Elmore is being announced by her parents, Mr. and Mrs. Richard Nash, 316 Highway 203, Madison. A June 8 wedding is planned.

Legion Auxiliary 113 to initiate

Tri-City American Legion Auxiliary Unit 113 completed plans for events in April and May at a meeting held last week.

Chapter discusses home decorating

Mrs. Norma Rains, 2001 Garfield Ave., entertained Preceptor Beta Gamma Chapter of Beta Sigma Phi Sorority in her home and presented the program "Decorating on a Limited Budget," showing decoupage, ceramics and needlepoint work she has created.

She also instructed the group on making yarn flowers and showed how she and her husband were cleaning up an antique printer's drawer in order for them to display their collection of miniatures.

Mrs. Arlene Haldeman conducted the business meeting. Discussion was held on the convention to be held at South High School April 27 and Founder's Day, April 30, at the Holiday Inn, Collinsville. Members planned to attend Beta Sigma Phi night at the Cardinal Baseball game May 2.

Plans were made for the annual Mothers' Day Tea May 18 to be held in the home of the president, Mrs. Haldeman.

Mrs. Dolores Dortch won the handmade wall hanging made by Mrs. Dolores Byrnes. Also present were Mrs. Jane Laule, Mrs. Betty Ebling, Mrs. Evelyn Tolliver, and Mrs. Pat Tsigolaroff.

Mrs. Dolores Weis, president, announced the initiation of new members will take place at 8 p.m. Wednesday, followed by an election of officers. A quad-county meeting in Dupo, Ill., is scheduled Saturday, April 26.

Local members planning to attend a Past Presidents' Parley dinner on April 29 at Dupo, include Doris Edwards, Lumeta Durbin, Esther Harris, Mildred Rees, Bonnie Jaco, Loretta Goeller, Katie Barks, Dolores Weis and Alma Klaus.

The annual mother and daughter night was arranged for May 14, with a potluck dinner beginning at 6:30 p.m.

Delegates named to attend the 22nd District Convention on May 17 at Lewis and Clark Restaurant, East Alton, were Loretta Goeller, Bonnie Jaco, Esther Harris, Katie Barks, Mildred Rees, Alma Klaus, Dolores Weis and Opal Harlan.

An award for "outstanding sales" this year was presented to Mrs. Klaus, craft chairman, and Mrs. Janet Waligorski reported the unit has reached its 100 per cent membership goal.

Donations to the American Cancer Society and the family of a veteran were approved and presentation of an American flag to a local Brownie troop was authorized.

Mrs. Rees, hostess, served refreshments to adult and junior auxiliary members. Games were played during the social hour.

University to honor mothers

Campus Mothers' Day will be observed Saturday at the University of Illinois at Urbana-Champaign.

A center of activities will be the UIUC Mothers Association, statewide organization founded in 1923, with functions year-around.

Its county chairwomen and officers include Mrs. John Klesh, 97 Riviera Drive, and Mrs. Wendell McIlvoy, 62 Riviera Drive, both of Granite City.

At a Mothers Association banquet Friday night, Mrs. Carole Bellows, Chicago attorney and Wilmette resident, will be the 11th recipient of the association's Medallion of Honor.

A UIUC alumna, she is third vice president of the Illinois State Bar Association and in 1977 will be the country's first woman state bar president.

On Saturday morning the Mothers Association will have its annual meeting. UIUC Vice Chancellor Hugh M. Satterlee will speak. Both events are open to all mothers, as well as to fathers and students.

Events being presented by students to entertain and honor their mothers include musical and theater productions; fashion, flower, arts and crafts and swim shows, and a dance concert.

Weekend activities open Friday morning with the Honors Convocation of the UIUC College of Engineering. Military Honors ceremonies with awards to cadets and midshipmen of Army, Naval and Air Force Reserve Offices' Training Corps will be that afternoon.

Madison groups to enter parade

The Madison Ladies Democrat Club will combine with the Ladies City Organization to enter a decorated float in the bicentennial parade, set for July 3, 1976, in Madison. The project was discussed at a meeting held at the Sportsman's Club.

Those appointed to serve on the planning committee were Maxine Costoff, chairman, Joann Wilkins, Minnie Brown and Catherine Hakkarainen.

Mrs. Mary Rogenski, club president, led the pledge of allegiance. Prayer was offered by Chaplain Elizabeth Wisnick.

Progress reports on two fund raising projects were submitted by chairmen Sue Miller and Minnie Brown.

The president named Frances Trotts chairman of the flower fund and welcomed a new member, Miss Christine Fuido.

Refreshments were served by Mrs. Miller, Mrs. Ann Gavilsky and Mrs. Brown and a prize was won by Elizabeth Yankoff.

Mrs. Cora Barr and Mrs. Ida Dant will host the May meeting.

State society honors Mrs. Agnes Fryntzko

Lambda State Organization of The Delta Kappa Gamma Society held its 40th annual convention at the Peoria Hilton Friday through Sunday.

"Delta Kappa Gamma, a Positive Force" was the theme of this year's program, according to Miss Wilma Nuttall, Lambda state president from Robinson. About 700 members from all parts of the state attended.

Mrs. Agnes Fryntzko, Alpha Eta Chapter, Granite City, was among those honored at the president's dinner Saturday evening.

The Society is concerned with assisting women educators toward better professional preparation, fairer recognition of women's work in the teaching profession, endowing scholarships to aid outstanding women educators in pursuing graduate study, and granting fellowships to women educators from other countries.

Moonspinner events described

A project meeting for Moonspinner 4-H members will take place at 7 p.m. today at Nameoki United Presbyterian Church under the direction of Mrs. Martha McIlvoy and Mrs. Sue Brinkhoff, project leaders, and Mrs. Elizabeth Schmidt, club advisor.

Members needing assistance in crocheting, sewing and Mexican crossstitch projects will attend.

Maria Schmidt, club president, conducted a regular meeting of the group at the church. Roll call was taken by Alice Childers with the names of favorite "clowns" given in response.

Joan Krystopa led the 4-H pledge and gave the treasurer's report, reminding members to return "handinote" cards or money before May 1.

Anne Fuller, Dawn Luebbert, Winona Cox and Laurie Butler served refreshments to those named and to Debra Burnett, Carole Busch, Linda Grebel, Janet Burnett, Christina Kessler, Mary Loftus, Susan Meir, Kim Overath, Elaine Wienhoff, Donna Wilmsmeyer, Melissa Overath and Lynda Loftus, members; and guests, Mrs. Rita Overath, Mrs. June Wienhoff, Mrs. Janet Wilmsmeyer, Becky Wienhoff and Tracy Boker.

Moonspinner members also attended the annual "Share the Fun" 4-H festival at the Salem United Church of Christ, Alhambra. It was reported the local club received a blue ribbon and a A-plus rating for its presentation of "The Entertainers."

Those participating were attired in clown costumes and performed a shadow or mirror dance. Lynda Loftus served as mistress-of-ceremonies for a "Happy Birthday - '75" segment and earned a green ribbon. Maria Schmidt served as an usher at the show.

Also taking part were Elaine Wienhoff, Dawn Luebbert, Susan Meier, Christina Kessler, Winona Cox, Carole Busch, Mary Loftus, Joan Krystopa, Linda Grebel, Alice Childers, Janet Burnett, Laurie Butler, Debra Burnett, Wendy McIlvoy and Kim Overath.

Escorting the girls were Mrs. Cathy Busch, Mrs. Linda Luebbert, Mrs. Martha Burnett, Mrs. Flo Cox and Mrs. Schmidt. Guests were Mrs. Rose Krystopa, Mrs. Billie Meier, Shelley Loftus, Monica Cox and Mrs. McIlvoy.

CRISTY OSBORNE MARKS FIRST BIRTHDAY

Cristy Michelle Osborne was guest of honor at a party to mark her first birthday given by her parents, Mr. and Mrs. Mike Osborne, 3-C Melvin Drive, last week.

A circus theme provided the party decorations and table appointments.

Luncheon was served by the hosts to Mr. and Mrs. David Ring and son Matt, Mr. and Mrs. Randy Proffitt and Robbie, Mrs. Marie Brenner and Mrs. Callie Bryant, both of Richmond, Ind.

Youthful dancers to entertain

The St. Stanislaus Dancers will entertain at 5:45 p.m. Sunday at the Polish Hall in Madison. The recital will be among the events concluding the national bowling tournament in St. Louis of the Polish Roman Catholic Union of America.

At Sunday's dance presentation a "prince and princess" will be selected from the youth group to represent St. Stanislaus PRCUA Lodge 1004.

A special guest at the performance will be Mrs. Stella Nowak of Chicago, president of the PRCUA Women's Division.

A program of traditional Polish dances, instrumental solos and tap dance routines will be presented, under the direction of Mrs. Hattie Mulnik. Mrs. Connie Grupas is the dancing instructor.

Children participating in the program will include Joann and Mary Helen Bisto, Judy Bonk, Sharon and Valerie Brinker, Lisa Dohnal, Teri Childers, Janet Dobrowolski, Cathy and Philip Gordon, Angela Grupas, Tony Hudzik, Rita Gula, Linda Hylla, Vickie Lopez, Shirley Meyer, Joan and Ann Krystopa, John and Joey Mulnik, Lisa and Cindy Petrosky, Rita and Roger Ruesing, Debbie Rozycki, Todd Huckla and Jimmy and Jeffrey Watson.

MEDICAL ASSISTANTS MEETING TONIGHT

The American Association of Medical Assistants, Illinois Society, St. Clair County Chapter, will hold a meeting at 6:30 tonight at Fischer's Restaurant, Belleville.

Mrs. Leanora Sytek, publicity chairman of the organization, announced plans for the meeting and that installation of new officers also will be held, after the dinner.

ARREST BOY, 16

A 16-year-old boy was arrested by police at Franklin and Woodlawn avenues this week after an officer said he saw the boy throw an auto tape player to the ground as a squad car approached. The tape player had been stolen from the auto of Tom Phillips, 2301 E. 24th St., parked at Maryville Road and Waterman Avenue. The boy arrested was referred to juvenile authorities.

Epsilon Eta hosts parties

Members of Epsilon Eta entertained the residents of Colonial Haven Nursing Home with a variety of games and awarded prizes and served refreshments last week.

Those attending the event were Mesdames Joyce Jenness, Nancy Sabo, Mary Ellen Boyer, Charlotte Talbot, Carol Grove and Miss Glenda Moore and Miss Rose Marie Kozial.

Earlier, the group hosted a mother and daughter affair at the Plantation Theater in St. Louis.

Each mother received a corsage and daughters of the members were introduced as guests.

Mrs. Carol Grove, 3317 Princeton Drive, will host the next chapter meeting.

Elmhurst Choir here Sunday

The Elmhurst College Choir of Elmhurst, Ill., will appear at the 10:15 a.m. worship service Sunday at St. Peter United Church of Christ, 21st Street and Cleveland Boulevard.

The Elmhurst College Choir is composed of 35 members who prepare a repertoire of music for mixed chorus, women's chorus, and men's glee club. Included in the choir's repertoire is a variety of music ranging from pre-Renaissance to Contemporary, sacred and secular.

This concert in Granite City is one of the many concerts that the choir presents during its concert seasons. This year the choir toured Peoria, Ill., and Evansville, Ind., and sang Lenten concerts in the Chicago area. The 10 day spring tour covers the northwestern states and Illinois, Missouri, Nebraska, South Dakota, Minnesota and Iowa.

Another feature of the choir's presentation is the Elmhurst College Handbell Choir. The Bell Choir holds membership in the American Guild of English Handbell Ringers.

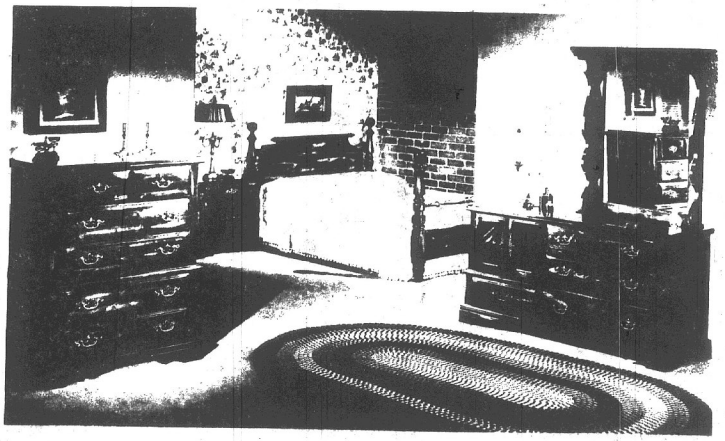

The Rev. Robert Kettlehut, pastor of St. Peter Church, has invited the public to attend.

SIMULATED RELOCATION CALL is made by Herman Schroeder of Granite City Realty, right, as he watches a Gallery of Homes relocation assistant initiate the procedure for finding a client a new home in another city. At right is Tom Dooley, executive vice-president of Gallery of Homes, Inc., of which Granite City Realty is a member. The demonstration was made while Schroeder was attending a three-day seminar on the Gallery of Homes program, held at the Oak Brook Hyatt House in Oak Brook, Ill.

Completes realty program

Herman Schroeder of Granite City Realty, has been awarded a certificate for successful completion of the orientation program for new members of the Gallery of Homes, Inc., the nation's largest residential real estate network.

The three-day program was held at the Oak Brook Hyatt House, Oak Brook, Ill.

A simillar orientation program is held in the Chicago area each month "to give new members the opportunity for in-depth training in policies and procedures which will ensure them outstanding success as Gallery Realtors," according to Tom Dooley, executive vice-president of Gallery Homes.

All Gallery members are required to complete this course, designed exclusively for managers or owners of Gallery installations. In addition to the academic classes and discussions, attendees participate in a tour of the operational headquarters of Gallery of Homes, Inc., in Elmhurst and two or three Gallery installations in the Chicago area.

The Gallery network has more than 1,400 offices throughout the USA, Canada and abroad, staffed by 15,000 sales professionals.

Gallery of Homes has pioneered photographic selling, allowing clients to "house-hunt" in the comfort of an attractive Gallery living room featuring Gallery displays of back-lighted color photos of homes.

Gallery also offers its clients financing assistance and complete relocation services, including community data, and travel, transportation and moving arrangements, Dooley explained.

Completes course

Army Sergeant Steven K. Hurt, 20, son of Mr. and Mrs. Royal E. Hurt, 2408 St. Clair Ave., has completed the noncommissioned officer education system (NCOES) course at Fort Benning, Ga.

The course consists of instruction in skill development techniques and military occupational specialty subjects.

His wife, Constance, resides at 2915 Sunset Drive.

NEW PROGRAM FOR HAIR LOSS

Frank Moran Shows He ReGrew Hair. He Did Not Have Male Pattern Baldness.

MIDWEST/ERICKSON HAIR CONSULTANT WILL EXPLAIN HAIR PROBLEMS AT THE TRAVELODGE, 1200 19th ST., GRANITE CITY HOURS 1 P.M. to 6:30 P.M.

Chicago, Ill., April 17, 1975 — Mr. A. C. Erickson will be back in Granite City, Ill. again Saturday, April 19. Now is the time to act on this great opportunity. Every man and woman now losing hair should take advantage of this FREE CONSULTATION.

GUARANTEED

You will be given a written guarantee on a pro-rated basis from the beginning to the end. Naturally we could not give you such a guarantee if it didn't work.

CAN'T HELP

Male pattern baldness is the cause of a great majority of cases of baldness and excessive hair loss, for which no method is effective. Midwest Erickson Hair Specialists cannot help those who are slick bald after years of gradual hair loss.

But, if you are not already slick bald, how can you be sure what is actually causing your hair loss? Even if baldness seems to "run in the family," this is certainly no proof of the cause of your hair loss.

Many conditions can cause hair loss. No matter which one is causing your hair loss, if you wait until you are slick bald and your hair roots are dead you are beyond help. So, if you still have hair on top of your head, and would like to stop hair loss and grow more hair . . . now is the time to do something about it before it's too late

FREE CONSULTATION

Just take a few minutes of your time on Saturday, April 19, and go to the TraveLodge, 1200 19th St., in Granite City, between 1 p.m. and 6:30 p.m. and ask the Desk Clerk for A. C. Erickson, room number.

There is no charge or obligation . . . all consultations are private, you will not be embarrassed in any way.

Manpower grant of $71,863 alloted county

Nelson Hagnauer, chairman of the Madison County Board, and George Hughey, chairman of the Bond County Board, announced last week that the Office of Manpower Development (OMD), which serves Madison and Bond Counties through the Comprehensive Employment and Training Act of 1973, has received additional funding for its Title VI Employment Program amounting to $71,863.

This increases the total Title VI funding level for the two county area to $1,796,687.

The additional funding will provide employment for 12 laborers and 3 leadmen through the Office of Manpower Development's Task Force-Work Experience Program. These positions will allow for the continued employment of persons currently served by OMD through a similar program nearing termination.

A copy of the program modification is available for review at the Office of Manpower Development, 103 W. Purcell Ave., Edwardsville, from 9 a.m. through 5 p.m. Monday through Friday. Comments may be directed to Dan Churovich at that address.

Persons interested in training or employment through the Office of Manpower Development may contact their local Illinois State Employment Service office and request to fill out a Manpower Development application.

Approve facility to train waste treatment operators

Plans, specifications and details for a $2-million advanced waste treatment and operators training facility at Southern Illinois University at Edwardsville were approved Thursday by the SIU Board of Trustees, which met at Carbondale.

SIUE officials are authorized to proceed with bidding the project, following consumation of a grant agreement between the University and the Illinois Environmental Protection Agency providing funding for the project.

According to Earl E. Lazerson, dean of the SIUE School of Science and Technology, the new facility, one of the first of its kind in the nation, will be called the Environmental Resources Training Center (ERTC). It will be a training facility designed to serve environmental control operators and technicians, providing operator upgrading through the development of vocational and technical skills.

Operators will be taught the fundamentals of operation and maintenance, management of resources, and quality control.

The new facility will be located near the existing waste water treatment plant on the northwest side of the campus. The office-lecture room-laboratory wing of the building will provide offices for staff, three small lecture rooms, a 100-seat auditorium, two 20-station water chemistry laboratories, a small laboratory for advanced instrumentation work, and a library.

The other wing of the building will be the "pilot processes" area. Small pilot units and demonstration equipment will be housed in the area to provide trainees with "hands-on" operation.

Dean Lazerson said he expects the ERTC to attract waste-water operator trainees from all areas of the state and many areas of the nation.

William E. Hord, chairman of the SIUE department of engineering, explains that the ERTC is to serve as the nucleus for development of statewide environmental training programs and the coordination of the programs through regional community colleges.

According to Hord, operator training programs began on the local campus in 1969. The programs have been funded by both state and federal environmental protection agencies. Other environmental programs offered by the university include the four-year bachelor of science in sanitation technology and the four-year bachelor of science in urban and environmental engineering.

Hord said proposed plans include master of science programs in environmental science and in engineering.

The engineering chairman cited a program which the university will launch this year as typical of the statewide environmental training programs which are under way and will be expanded in the future. SIUE received a $25,000 federal grant to conduct the National Pollution Discharge Elimination System Self-Monitoring Procedures program at eight locations in the state.

Tentative sites selected are in the areas of SIUE, Springfield, Peoria, Sugar Grove, Freeport, Moline, Mattoon and Carterville, Hord said. Community colleges in the areas will be asked to provide lecture rooms and chemistry laboratories for SIU personnel to use during one-week courses. The state will be divided into circular zones of 100 miles diameter, with each selected site being in the center.

"In this way, we hope to provide a network of community colleges which will aid the ERTC in the delivery of training programs," Hord said.

Yearly costs per pupil top $1,200

Public elementary and secondary education in Illinois cost $2,886,000,000 in 1972-73, compared to $1,140,000,000 spent in 1963-64.

In 1963-64, per pupil expenditure was $481 and in 1972-73, $1,228.

Assessed valuation per pupil ranged from a low of $6,407 in Pulaski County up to $67,035 for all of Piatt County in 1974-75, representing a vast range of local resources available for education.

These are a few of the facts compiled in "Illinois Education in 1975," a report released Tuesday by the Illinois Office of Education.

Other facts:

White Illinois residents 25 years old and older have completed an average of 12.1 years of school; non-white residents, an average of 10.8 years.

The U.S. Department of Health, Education and Welfare classified 128,000 Illinois residents 14 years old and older as illiterate in 1960.

Three million Illinois citizens lack a high school diploma.

There were 976 male and 26 female school district superintendents in Illinois in 1973-74, and 1,323 males and 261 females in other administrative positions.

This contrasts with the fact that about twice as many classroom teachers are female—73,125 females compared to 36,321 males.

"This publication describes the state of education in Illinois in 1975, as the State Board of Education begins its work," State Superintendent of Education Joseph M. Cronin said.

"The document draws together information from a mass of existing reports and surveys to form an overview of the educational system in Illinois.

"It does not draw conclusions about the problems in education or recommend solutions, but presents data upon which such conclusions may be based," he said.

The publication includes a statistical overview of Illinois and its population, and offers facts and figures on the following areas: educational personnel (pupils, teachers, administrators and school board members); financial and non-financial support of education; organization and housing of schools; the goals of education and how they are pursued; and how educational progress is evaluated.

The publication also includes charts and graphs giving statistics on enrollments, financing, etc.

State votes tax help for aged, disabled

Senator Sam M. Vadalabene, D-Edwardsville, has expressed delight with Thursday's final action in both houses in passing senior and disabled citizens tax relief legislation.

The measure passed the Senate earlier in the session but was amended by the House. Both chambers reached accord on the bill Thursday.

The program, supported by Lt. Gov. Neil Hartigan, provides cash grants to the handicapped and to persons 65 or older earning less than $10,000 a year. The grants reflect sales taxes paid on clothing, home heating fuel, food and medicine in conjunction with the established "circuit breaker" law.

"Grants would average an estimated $70 to $80 per year, and up to 450,000 people are potential qualifiers," Sen. Vadalabene said.

"Individuals living on low, fixed incomes, which so often include the disabled and our senior citizens, certainly are entitled to this modest tax relief. This will help them fight the inflation that erodes their meager resources.

"I am hopeful that the governor agrees with the General Assembly that this program is essential and deserves his signature."

Affirmative action goes into effect at university

The first written Affirmative Action Plan (AAP) for Southern Illinois University at Edwardsville became effective Tuesday, according to President John S. Rendleman. He said implementation of the 235-page plan climaxes nearly a year and a half of intensive work by a diverse group of administrators, faculty and students.

Pres. Rendleman said it has been the official policy of the university since 1970 to provide equal employment opportunities for all individuals regardless of race, color, ethnic and national origin, religion or sex. The written plan formalizes the policy and expands it to cover all aspects of employment opportunities and responsibilities.

Specifically, the AAP includes:

—The university's evaluation of its present employment data, indicating race and sex statistics.

—Deficiencies which have been identified by race and sex in particular job categories and employment units, in comparison to relevant availability statistics.

—Employment goals, including promotional objectives, for employment units and job categories where deficiencies are indicated.

—Internal administrative responsibilities and procedures required to effect the plan.

The AAP was developed under supervision of the university's Affirmative Action Task Force, with John Paul Davis, general counsel and executive assistant to the president, as chairman.

The task force will be succeeded on May 1 by the University Affirmative Action Council, a nine-member group consisting of the three operating vice-presidents, two central affirmative action officers (one for women and one for minority concerns) and four full-time SIUE employees to be appointed annually by the president from a list of at least 10 nominees developed by the University Senate president in consultation with the Senate Welfare Council and Non-Academic Employes Advisory Council.

The council will have the responsibility to review operation of the plan and recommend policy revisions to improve administration of the AAP.

Copies of the plan will be given to all supervisors, who will make a copy available to all employes in each unit. Additional copies will be available in Lovejoy Library, various administrative offices and the Student Activities office.

The AAP calls for the appointment of an affirmative action coordinator in each unit of the university to assist the chief officer of the unit in dissemination and gathering of affirmative action information.

An open hearing on the proposed AAP was held Feb. 25 and of recommended changes have been included in the final plan.

Dr. Rendleman said it has been decided to continue with two central affirmative action officers—currently Sally Page for women's affairs and John Flamer for minority affairs. Because of budget constraints, it was agreed not to distribute a copy of the plan to each individual member of the university community.

The AAP was prepared in response to SIUE's obligation as a federal contractor to develop a written program of affirmative action. "Our objective, however, has been to do more than merely meet the federal requirements," according to Dr. Rendleman.

"From the beginning of the formal effort, the goal steadfastly has been to develop a written plan which represents the evaluations and judgments of a collective group of faculty, students and interested observers, as well as administrators, as to the proper aspirations of this university in conformity with, but distinct from, the mechanical requirements of federal regulations."

The president added, "Affirmative action must have broad-based support and understanding, involving all persons who participate in personnel decision-making, as well as most employes, if it is to be effective in the fullest sense."

In addition to Chairman Davis, the Task Force included Warren Joseph, assistant vice-president for personnel administration; Arnold Franke, assistant vice-president for university service operations; Arthur Grist, director of East St. Louis operations; Lillian Hunt, staff assistant and vocational counselor; Vaughnie Lindsay, dean of the Graduate School; Arthur Hale, Civil Service personnel director; and the central affirmative action officers, John Flamer and Sally Page.

Groups represented in discussions on development of the plan included: the SIUE Welfare Council Equal Employment Opportunity Committee; the SIUE Welfare Council Committee on the Status of Women; Association of Women in Science; Metro-East Chapter of the National Organization for Women; the American Association of University Professors; Women's Caucus of the Illinois Education Association; and St. Louis Area Women in Higher Education.

Task Force committees were appointed to develop specific sections of the AAP. As each section was completed, it was submitted to the Task Force for consideration.

The AAP includes four articles: University policies on affirmative action; administrative policies and procedures; academic employes inventory analysis and affirmative action goals; and Civil Service employes inventory analysis and affirmative action goals.

Meeting to open drive for township sewer easements

Walter T. "Dick" Sparks, supervisor of Chouteau Township and chairman of the Madison County Four Township Sanitary Sewer Committee, has issued an "open letter" to Quad-City area residents asking them to attend an April 27 meeting at which the task of obtaining easements will begin.

The text of Sparks' letter follows.

"We urge everyone interested in having sewers in all of the urban areas of Chouteau, Nameoki, Venice and Granite City Townships to be present at a mass meeting Sunday, April 27, at 2 p.m. at Granite City High School North.

"We are going to have all the necessary material on hand to show the public how we are planning to obtain the property easements in each area of each township.

"We have a target date of July 1 to have all easements, which we realize is going to require full cooperation from everyone owning property, and a lot of hard work from the committee, and volunteer help and work from the public.

"Remember friends, we have considered sewers in our area as being the most important thing since back in 1965 when a survey was made, and it was considered too costly and never got off the planning stage.

"Your committee feels sure it now has them in our grasp, if we only devote all the energy necessary to convince the state of Illinois that our project is ready to go.

"The only hurdle we see at this time is we have to have all easements before construction funding will be granted.

"We have a few details to be completed in some areas, but feel that they will be resolved in due time.

"Be sure to attend the meeting and be ready to help get this project under construction. See you Sunday, April 27 at 2 p.m."

Permit issued for health spa

A $20,000 building permit for construction of a new Spartan Health Spa on Route 111 south of Route 162 in Pontoon Beach was approved by the Pontoon Beach Village Board Thursday night.

The permit covers the construction of the shell only. Additional permits will cover electrical, plumbing and other work.

The board approved a resolution proclaiming this week, April 13 to 20, as "Friends of Explorer Post 255" Week in the village. The Explorer Post is sponsored by the village police department.

Members of the post were granted permission to sell tickets door-to-door in the village for a drug awareness seminar to be held Monday, April 21, at the Long Lake Volunteer Fire Department recreation hall. Proceeds from the event will be used to purchase uniforms for the Explorers.

The board recessed until April 18 when it will meet to canvass the votes from the village's April 15 election.

FACES 2 CHARGES

Jack C. Hamilton, 52, of Eldorado, Ill., was charged with two counts of criminal damage to property this week after he allegedly broke front windows of the Madison Senior Citizen building and the Tri-City Cleaners, both in the 1200 block of Madison Avenue.

TWO EASY WAYS TO 'CHARGE-IT'

New master's program at SIUE is authorized

A master's degree program in management system was authorized for Southern Illinois University at Edwardsville by the SIU Board of Trustees Thursday, subject to approval by the Illinois Board of Higher Education.

According to Vaughnie Lindsay, dean of the SIUE Graduate School, no similar program is offered in the state. She said Bureau of Labor statistics indicate that in the next five to six years, the personnel needs in the management systems field will grow at a rate greater than in any other field.

Management systems professionals from local public service organizations and profit-oriented organizations have assisted in the development of the program and fully support it, Dean Lindsay said. Other departments, both in the School of Business and in other schools of the university, will participate in the program by providing the secondary area of study for many students, she said.

"The program is supportive of existing programs by providing an additional source of students for existing courses in management science, business administration, government, urban planning and others. This program further attunes the offerings of SIUE to the needs of the student and the community," Dean Lindsay stated.

SIUE President John S. Rendleman said, "Approval of this program will enable SIUE to fulfill its role of providing well-designed interdisciplinary programs where a well-defined need exists."

The proposal was considered and approved by the Curriculum Committee of the School of Business, the Graduate Council, the deans of the School of Business and the Graduate School, the office of the vice-president and provost, and the office of the president.

Indict 5 in area cases

A Madison County Grand jury Thursday returned burglary indictments against four men and forgery indictments against a Madison woman, all in connection with Quad-City area cases.

Ethyl M. Brown, of the 1500 block of Second St., Madison, was indicted on two counts charging forgery. She allegedly attempted to defraud Venice grocer Henry Baucum, who also is city treasurer of Venice, Jan. 16 with two forged checks valued at $194 and $199.

She was released on recognizance bonds totaling $7,000.

Robert Dunham, 29, of the 1300 block of Niedringhaus Avenue, was indicted on two charges of burglary. He allegedly broke a front window and stole clothing worth $413 from Schermer's Men's and Boys' Shop, 1910 Delmar Ave., Dec. 21, 1974. Police arrested him at his apartment.

Dunham also was indicted in a Feb. 3 burglary of a trailer behind the Sears, Roebuck & Co. catalogue store in Nameoki Village Shopping Center. Indicted with him on a burglary charge in connection with the incident was Larry Finley, 20, of the 900 block of Grand Avenue.

Police alleged finding Finley and Dunham in their auto near the looted trailer and a package with a Sears marking was allegedly found in the rear seat.

Dunham was released on recognizance bonds totaling $1,100 and Finley was released on a $5,000 recognizance bond.

Danny Smith, 25, of the 2900 block of Myrtle Ave., was named in a true bill charging burglary Nov. 30, 1974, at Prather Junior High School. Police alleged finding him in the kitchen of the school after a window had been broken.

Smith was released on a $7,500 recognizance bond.

The grand jury also indicted Richard G. Brown, 18, of the 2800 block of Grand Avenue, who is charged with burglary at the home of Isabelle Cariss, 2411 Grand Ave., March 1.

Brown and a 15-year-old boy allegedly were arrested inside the Cariss home and had jewelry and other items in their possession, according to official reports. The juvenile was referred to city juvenile authorities. Brown was released on a $7,500 recognizance bond.

The grand jury re-indicted Randy Rueben Reyes, 17, of the 2400 block of Adams Street, on an armed robbery charge stemming from the robbery of John A. Erickson, Collinsville, at Erickson's home March 26.

The week before, the grand jury had indicted him under an alias of Ryan R. Reyes and that indictment was nullified when authorities discovered the name was in error.

His bond was continued at $20,000.

BURGLARY AT STATION

A plate glass window in the front door at the Moto Station, 2801 E. 23rd St., was broken and a cigarette vending machine was pried open with a tire tool, it was reported at 6:55 a.m. Monday. The tire tool was left on the floor. The coin box was removed from the vending machine and about $75 to $80 worth of change in it was stolen.

POSTER AWARD WINNERS. Students of St. Mary-St. Mark, Harris and Louis Baer schools, winners in the annual anti-litter, conservation and safety poster contest, are shown being honored at the Madison Recreation Center. First row, from left, are Jerry Lynn, Dawn Turnbough, Oddie Quillen, Tony Jordon, James Newsome, Eddie Hartman and Larry Lybarger. In the back, from left, Charles Fuller, Virginia Havel, Tommie Johnson, Shirley Meyer, Tom Marcus and Norma Bellcoff. Several students presented musical and specialty numbers under the direction of Mrs. Valerie Stevens, head of the Vocal Music Department for the Madison School District.

Car overturns during chase

Maurice Johnson, 17, of Edwardsville, was admitted to St. Elizabeth Hospital at 1:16 a.m. Saturday suffering a cut to the nose suffered in an automobile accident. Johnson was charged with resisting a police officer.

Glen Thomas Malone, 20, also of Edwardsville, and driver of the car in which Johnson was riding has been charged by Venice police with speeding, attempting to elude police and reckless driving.

The men were stopped in Venice and told to follow police to the Venice station. They drove away, police said, and overturned their car at Rock Road and the levee.

Granite City and Madison police, along with Madison County sheriff's deputies, took part in the chase. A .22 caliber revolver and nine rounds, along with a holster, were found near the overturned car, police reported.

BREAK INTO HOME

Nothing was believed stolen during a break-in at the home of Dale Kirksey, 2255 Woodlawn Ave., reported at 12:05 p.m. Monday. A west side basement window was forced open to gain entry. A bedroom was ransacked and the drawers and closet in the room were searched.

Walker bill provides for generic drugs

Gov. Dan Walker during the weekend announced a legislative program intended to provide greater consumer protection for the elderly and make possible savings on the cost of prescription drugs.

Gov. Walker outlined his program in a speech before a conference of the Illinois Association of Homes for the Aged, held at Chicago.

The program includes a proposal that would permit substitution of generic drugs for prescription drugs, and another proposal that would abolish any ban on the advertisement of drug prices.

Passage of the two bills could lead to an average saving of $85 to $95 per year for the elderly in prescription drug costs, a one-third reduction in the amount of money senior citizens spend on these necessities now, Gov. Walker asserted.

Another proposal would provide for regulation of the sale of hearing aids.

The final proposal would require that a majority of the persons serving on the Nursing Home Administrators Board be public members. Only one public member now serves on the four-person board.

Walker said, "Illinois senior citizens are the ones hardest hit by rising prices because of their fixed income. When prices rise, many elderly people are forced to buy less. In effect, this proposal would cut prices on prescription drugs."

Spring house tour to feature homes, churches, entertainment

By DONNA HARTWICK
Press-Record Staff Writer

The first breath of spring stimulates most homemakers to begin a housecleaning campaign augmented with a palette of new colors in paints, wall coverings and draperies, all designed to change the decor of the home and create a refreshing atmosphere for the approaching summer months.

The second annual house tour and crafts fair arranged by the Downtown Neighborhood Restoration Society, Inc., will provide an abundance of ideas, each informative and feasible for the homeowner interested in transforming his property into a showplace of the past at minimal cost.

Ingenuity of the individual owners is demonstrated in the six homes, plus a church, featured on the tour. All are located in the Downtown Granite City area.

Planned for Sunday, May 4, from 1 to 6 p.m., the program also will feature a neighborhood fair with craftsmen at work, entertainment and refreshments.

Parking will be available at several locations within the neighborhood, and transportation to the houses on display will be provided via double-decker bus.

Tour tickets cost $1.50 each in advance and $2 on the tour date. Tickets may be obtained by calling 877-5498 or 876-0943, or by sending a check or money order to:

Downtown Neighborhood Restoration Society Inc., P.O. Box 117, Granite City.

St. Bartholomew's Episcopal Church, 2200 Grand Ave., will be featured on the afternoon tour. The cornerstone for the edifice was set in June 1906, and the first service was held in October of that year. Expansion and remodeling programs have been completed on three separate occasions since the original structure was built.

Serving as rector of the congregation at the present time is the Rev. Wilbur L. Lear.

The house owned by John and Rogera Mefford at 2019 Delmar Ave., is a California-Spanish style and was built in 1921 for C. W. Ershall, founder of Tri-City Grocery Co.

Interesting features of the house include deep blanket drawers in the master bedroom and a breakfast room off of the kitchen, originally designed as maids' quarters.

Solid oak woodwork, brass wall fixtures and crystal chandeliers were installed at the time the dwelling was constructed.

A two-story brick colonial home at 2138 Edison Ave., was built in 1902 by Mary Hensler, to be used as income property. It remained a multiple dwelling until 1965 when Carl and Jeanie Kittel bought the property and began an overall renovation project.

Focal points are a massive brick fireplace, impressive plywood ceilings, bay windows on each level and the outstanding decorating ideas of the occupants.

John and Val Bergschneider acquired their house at 2327 Edison Ave., in March 1974. Extensive remodeling was planned for the interior, combining a mixture of the new with the old.

Eventually, the couple plans a fireplace built in the corner of the living room and family room in the attic. The house was built in 1908.

The house at 2333 Delmar Ave., owned by Mr. and Mrs. Eugene Gunderson is in various stages of redecorating.

First project undertaken in the seven room abode was conversion of a back porch into a family room.

Mr. and Mrs. Jim Harmon reside at 2323 Cleveland Blvd. The eight-room home, built in 1915, has three working fireplaces, converted gas fixtures and a marble sink in the kitchen.

Throughout the renovating program, the Harmons have sought to retain the charm and distinctive features of the 1915 era.

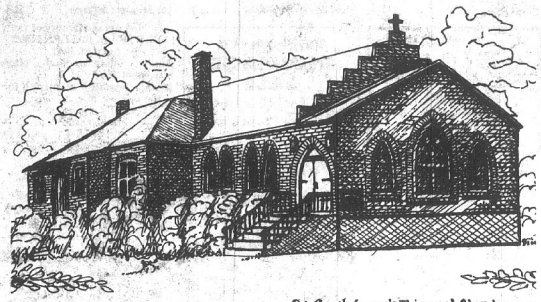

The brick residence at 2319 Cleveland Blvd., is now owned by Mr. and Mrs. Steve Bristol.

Built in 1917 in the section of the Community known as Granite Place, the two-bedroom house since has been expanded to include a family room.

Entertainment at the "fair" segment, to be located on the 24th Street parkway, between Cleveland Boulevard and Delmar Avenue, will spotlight four separate musical groups.

The St. Stanislaus Polish dancers will perform from 1:30 to 2:15 p.m., followed by the Madison Senior Citizen Kitchen Band from 2:30 to 3:15 p.m., and the Happy Strings Junior Tamms will present their segment from 4:30 to 5:15 p.m. Concluding the program will be the Mississippi Valley Chapter Barber Shop Chorus.

Walter Padgett, president of the sponsoring organization, said all proceeds from the event will be used to fund various neighborhood improvement and beautification projects.

St. Bartholomew's Episcopal Church

ST. BARTHOLOMEW'S EPISCOPAL CHURCH, 2200 Grand Ave., will be included in the May 4 house tour of the Downtown Neighborhood Restoration Society. Established in 1900, the local congregation will celebrate its Diamond Jubilee this year. The Rev. Wilbur L. Lear is the current rector. Historical literature relating to the church will be available to tour patrons upon visiting the building.

2323 Cleveland

EIGHT ROOM DWELLING built in 1915 at 2323 Cleveland Blvd., and now owned by Mr. and Mrs. Jim Harmon. One of six homes included in the spring house tour on May 4, sponsored by the Downtown Nieghborhood Restoration Society, the house has three working fireplaces and a marble sink in the kitchen.

Mitchell PTA elects

Mrs. Viva Elliott was re-elected president of Mitchell PTA at the April meeting held last week at the school.

Brownie Troop 906, under the leadership of Mrs. Margot Clements, presented the colors.

Mrs. Laurabeth Wittkamp, nominating committee chairman, read the slate of officers. Others elected were: Mrs. Jeanne Murphy, first vice-president; Mrs. Karen Hutchings, second vice-president; Mrs. Phyllis Gorrell, secretary and Mrs. Brenda Podner, treasurer.

Arthur Menendez, principal, presented a plaque to Steven Ray Smith for "outstanding courage" in assisting an injured man from a hazardous situation in an electrical accident on May 23, 1973.

The Smith youth, a former student and patrol boy at Mitchell School, now attends Southern Illinois University at Edwardsville.

After the business session the school band performed under the direction of Ray Bourland and a String group, led by Miss Linda Beane, played.

Mrs. Maryann Reiman's first grade pupils, including Leane Baker, Cindy Singer, Terri Kofahl, Paul Perrigan, Philip Jordan, Darrell Andrews, Gary Dennison and Kalani Cornelison, presented "Little Red Hen." Carol Gantt served as the announcer.

Refreshments were served by the first grade room mothers.

Retired Persons attend workshop

Regional officers of the American Association of Retired Persons, Inc., (AARP), conducted an informational workshop last week for members to outline programs offered by the national association.

The event was held at Augustine's Restaurant in Belleville. About 125 members representing 10 chapters in southwestern Illinois attended the all-day session.

Mrs. Vernice (Wortman) Walter, past president of Granite City Chapter 1340, spoke on the "Institute of Life Time Learning." Club delegates received literature and pamphlets to distribute at local meetings.

Others attending from the local AARP chapter were Mrs. Vina Law, president, Mrs. Elna Hoover, Mrs. Clara Schillinger, Mrs. Ruby Corbitt, Mrs. Helen Bertacchi, Mrs. Julia Mainor, Clyde Myers and Robert and Lucille Allen.

The next seminar was set for Oct. 11 in Salem, Ill.

Republican Women visit Springfield

Forty members of the Granite City Republican Women's Club traveled by bus last week to Springfield, where they were guests of State Rep. Everett Steele (R-Glen Carbon) and Mrs. Steele.

The group met with State Rep. Celeste Stiehl (R-Belleville), who is serving as assistant minority whip in the Illinois House of Representatives.

The local women had lunch in the state legislators' cafeteria and visited with Rep. James "Bud" Washburn (R-Morris).

At an afternoon session of the General Assembly, the Granite City club members were introduced by Rep. Steele. A tour of the governor's mansion, state capitol and Lincoln's home followed.

Revival starts at 3rd Baptist

The Rev. Burnell Lewis, an evangelist who has traveled extensively in this country and on four continents, is the featured speaker at a revival which opened this week at the Third Baptist Church, 2601 Grand Ave.

The Rev. Roy Johnson, pastor, said the evangelist has completed advanced theological studies in Zurich.

Services will be held each evening at 7:30 through Sunday. A nursery will be provided for the small children.

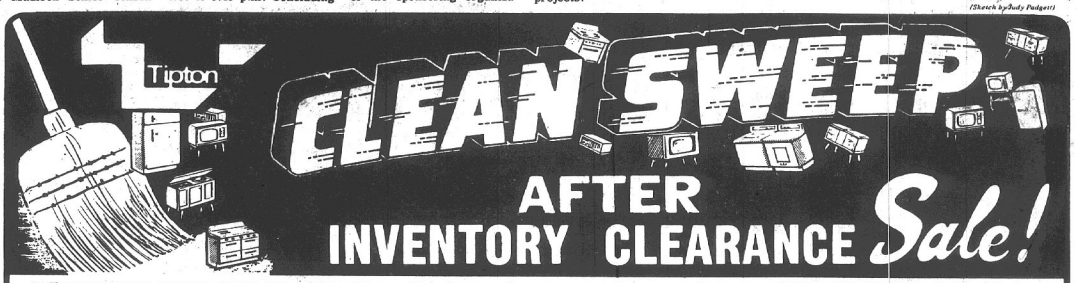

Music is under the direction of the Rev. John Nading who joined the staff at Third Baptist on Feb. 2, in a full time capacity. Each service will feature various choral groups, soloists and instrumentalists.

Congregational singing will be from the New Baptist Hymnal, introduced in the Southern Baptist Convention last month.

In Navy maneuvers

Navy Seaman Schley H. Martin, grandson of Mr. and Mrs. Schley F. Martin, Rural Route One, Granite City, participated in "RIMPAC-75," a multi-nation naval operational readiness training exercise near the Hawaiian Islands.

As a crewmember of the submarine rescue ship, USS Coucal, homeport Pearl Harbor, he took part in 11 days of maneuvers involving 31 ships, 200 aircraft and 17,000 men from the U.S., Australia, Canada and New Zealand.

Medical examiner system is sought

Legislation to create a state-wide medical examiner system for Illinois has again been introduced in the Illinois House by State Rep. W. Timothy Simms (R, Rockford) and 14 other sponsors, including Mrs. Celeste Stiehl (R, Belleville).

The proposed new system would be administered on a statewide basis by a 12-member board housed in the Illinois Department of Public Health. The board would have four physicians from the organized medical groups, three lawyers from the organized legal groups, three representatives of the major "consumers" of the service and two public members.

The board would appoint a chief medical examiner who must be a forensic pathologist, to administer the system on a proposed seven-district regional basis. The legislation also requires that regular pathologists must head each district.

Rep. Simms said that "the need for a medical examiner system is based on the increased number of violent deaths, the increase in drug abuse, the need for discovery of public hazards, private accidents as well as serving private claims.

"Increased progress in the technology of medical-legal investigations has shown that Illinois lags far behind the 37 other states that have already switched to the medical examiner systems."

EXPLORER PROJECT APPROVED. Floyd David Moss, seated, village president of Pontoon Beach, signs a resolution passed Thursday by the village board of trustees to allow members of Explorer Post 255, sponsored by the Pontoon Beach police, to sell tickets in the village to an adult drug awareness program. The monies raised by the Explorers will be used to purchase uniforms. Standing from left, Donald D. Patrick, juvenile officer and Explorer adviser; Bob Morgan, post secretary; James Laughlin, post president, and Rosewell Bennett Jr., chief of police.

2 GC youths charged in Forest Park disturbance

Charles Ringling, 18, of the 2500 block of East 23rd St., and Kenneth Siebert, 17, of the 2800 block of Pershing Boulevard, were among those arrested during disturbances related to a kite flying contest Sunday in Forest Park, St. Louis, which attracted a crowd estimated at 75,000 people.

The two Granite City youths are accused of approaching two plainsclothes vice detectives from the St. Louis police department and offering to sell them a bag of marijuana for $5.

The detectives allege they made the purchase and then arrested the two. Two additional small bags of marijuana allegedly were found in the possession of one of the two.

The event allegedly occurred on Aviation Field in the park. There were several arrests. One youth allegedly attempted to run his auto over a motorcycle policeman on the shoulder of U. S. 40 near Hampton Avenue. Another youth allegedly threw a cup of ice at a police officer and was found to be in possession of marijuana.

Others were charged with climbing the fence and running across Route 40 to gain access to the park.

At the McDonnell Planetarium, holes were punched in four paintings, causing about $500 damage. The crowd attempting to use the restrooms in the planetarium was too large to supervise, forcing officials to close the building for about 25 minutes during the afternoon.

Zoning board hearings set

The Madison County Zoning Board of Appeals will hold two on-site public hearings Tuesday, April 22, and one Thursday, April 24, in Quad-City area townships on zoning requests.

The board will meet at the Madison County Courthouse at Edwardsville at 8:30 a.m. Tuesday and will proceed at 10 a.m. to 738 East Chain of Rocks Road, Mitchell, where it will consider a request by Carlos D. Bettis for a special use permit to place a 12-by-70-foot mobile home on the lot, which is in an R-3 single family residential district of Chouteau Township.

At 10:25 a.m., the board will meet at 2104 Harrison Ave., near Route 203 and Wabash Avenue, where they will consider a request by Harold and Georgia Baumann for rezoning the property from R-4 single family residential to a B-3 highway business district. The property is in Nameoki Township.

At 9:15 a.m. Thursday, April 24, the board will meet on the western extension of West Pontoon Road, west of Route 3, near the levee and Chouteau Slough Road, to consider a request by Oshall L. Warren, owner, and John Warren, purchaser, for a special use permit to divide a three-acre tract of land into two parcels, one of two and one-half acres and the other of one-half acre.

They also are requesting a special use permit to construct a residence on the property which is located in an M-2 general manufacturing district of Nameoki Township.

Study multi-year car licenses for Illinois

Michael J. Howlett, Illinois secretary of state, has initiated a study of multi-year and permanent plates with the goal of putting one or the other automobile licensing system in effect within three years.

Howlett said this week he has appointed a task force to study licensing procedures currently followed by other states. This committee, headed by Ronald P. Fox, Elmhurst, then is to draw up a workable plan for Illinois.

With legislative approval, the plan could be in effect by 1978, according to Howlett.

Multi-year license plates are sold from every two years in some states to every five years in others. During the interim years, these states produce annual tags which the owner must purchase and affix to the plate.

In contrast, permanent plates have a "life span" that corresponds to the automobile for which they are purchased. They are non-transferrable and remain with the car no matter how many times it is sold.

In states where permanent plates are used, tags are also produced and sold on a yearly basis.

Canvass shows no change in GC vote tally

Certificates of election have been issued by City Clerk Robert Stevens to Lionel Portell, re-elected as city superintendent of streets, and seven aldermen elected in the April 1 city election following the official canvass of the voting.

Canvass results showed no changes in the vote tally of any candidate as reported unofficially on the night of the election.

A total of 8,023 votes was cast during the balloting, the canvass showed.

Only one new alderman will be seated on the City Council as a result of the election, with the other six aldermen re-elected.

The new member of the council is Warren Decatur, 3229 Colgate Place, who replaces Claude Green, incumbent alderman of Ward Four. Green did not seek re-election.

The official vote cast in the April 1 election, the same as the earlier unofficial vote tally in all instances, is as follows:

Superintendent of streets — Lionel Portell, Incumbent, 4,906; Mac Warfield, 2,881.

Alderman Ward One — Everett Morlen, incumbent, 382; Charles Douglas, 198; James Stuart, 222.

Alderman Ward Two — Sam Whitmer, incumbent, 780; Melvin Hill, 297.

Alderman Ward Three — Clyde Boyd, incumbent unopposed, 555.

Alder Ward Four — Warren Decatur, 796; Glen Sprankle, 598.

Alderman Ward Five — Walter Nonn, incumbent unopposed, 1,072.

Alderman Ward Six — Gerald Parmley, incumbent unopposed, 891.

Alderman Ward Seven — Daniel Sparks, 73; Emerald Dawes, incumbent, 678; Donald Partney Jr., 640; Frank Vesci, 243.

Advisory Council to meet April 22

The Title I and Title VII Joint Districtwide Advisory Council will meet Tuesday, April 22, at 10 a.m. in Room 14 of Venice High School, according to Mrs. Verla Arnold, chairman.

Discussion will involve the further implementation of the goals for 1974-75 and the proposed goals for 1975-76.

Members of the advisory council are Tillie McGarrahan, secretary; Donna Hoover, assistant secretary; Myrtle Parker, Linda Freeman, Herman Smith, Estell Wilbourn, Joe Willie Roberts, Jeanette Wilkson, Carrie Matkins.

Charlotte Bilbrey, Sister Bernadette, Rev. John O'Connell, Janice Blatz, Mrs. Eddie Barbee, Florence Durer, June McClain, Al DeLay, Barbara Bailey, Ila Fleig, Clark Ray, Sandra Sanders, Terri Varner, and Michael Logan.

The public hearing for the Title VII project application for 1975-76 will be held Tuesday, April 29, at 7:15 p.m. in the Venice High School Study Hall.

Botique II opening today

MISS S. IRENE JOHNS

Miss S. Irene Johns, president of S. Irene Johns Inc., a national clothing buying office, will appear in Granite City today and Saturday, April 19, to help celebrate the opening of The Botique II by H. G., 1312 Nineteenth St.

Miss Johns' firm has been in business 27 years and provides buyers' services to more than 150 stores in the United States and other countries.

She is on the advisory board and is a past president of the Association of Buying Offices. She also has been presented keys to many cities, including New York City, and is listed in "Who's Who of American Women."

She also is a popular university lecturer.

Miss Johns is active in aiding retarded children and is first vice-president of the Association for Help of Retarded Children organization. She hosts a "Man-of-the-Year" dinner annually to raise funds for aiding retarded children.

She has been invited to be the guest speaker at the National Retail Merchants' Association seminar in New York City April 22.

Miss Johns will be in the new store for its opening to greet customers and to answer questions on fashion trends and clothing selection.

'Open primary' recommended by Nameoki group

A resolution urging "open primary" elections in Illinois was passed by the Executive Committee of the Nameoki Township Truth and Action group this week and copies were sent to legislators representing this area.

The resolution was passed against a pending state bill that would require voters to declare their party affiliations three months before a primary election.

The resolution said that the state bill, if passed, "could pave the way for political party machines to take over the electoral process and effectively eliminate government of the people."

The open primary being sought would eliminate the necessity of voters declaring their parties, even on election day.

The group also discussed Gov. Dan Walker's recent visit to this area and his promise to return in the near future to view areas at Dobrey Slough where a high water table has damaged many homes.

Three autos are stolen

Three autos were reported stolen in Granite City during the weekend.

Ray L. Stratton Jr., 1625 Delmar Ave., reported his 1971 Challenger stolen from in front of his home. Madison County Sheriff's deputies found the car later at the north end of Chouteau Island. The car was stripped.

James Boone, 2409 Kilarney Ave., reported that someone stole his 1971 blue two-door Datsun from the parking lot of Cinema II theater in the Nameoki Village Shopping Center.

Mike Johnson, 2900 rear Myrtle Ave. reported his VW Beetle, orange with a white pin stripe, was stolen from in front of his home.

Levee meeting delayed again

A special meeting of the East Side Levee and Sanitary District board of trustees scheduled in Granite City during the weekend was not held for lack of a quorum.

The meeting was called to conduct regular business that was postponed after a regular meeting on April 9 broke up in a disagreement between board members.

The only board members to appear for the meeting were William "Mike" Ebersoldt, mayor of Venice, and Russell Robinson of Granite City. Jack Scoville, president of the board, could not attend the meeting because he could not leave the Eastern Illinois U.S. Court District.

Scoville and Charles Meyers, an East St. Louis member of the board, were indicted by a federal grand jury a week ago in an investigation of kickbacks by contractors.

No date for another meeting had been set today. The levee district payroll was approved in the April 9 meeting, but the claim list was not.

Assigned to Greece

Larry J. Stawar, son of Mr. and Mrs. W. C. Stawar, 2295 Gary Ave., has been assigned to Araxos, Greece, from Barksdale AFB, La.

Stawar, an Air Force first lieutenant, is an administrative officer with a unit of the U.S. Air Forces in Europe.

He graduated in 1967 from Granite City High School and received his B.S. degree in business in 1971 from Southern Illinois University at Edwardsville, where he was commissioned through the Air Force Reserve Officers Training Corps program.

Lieutenant Stawar's wife, Cheryl, is the daughter of Mr. and Mrs. Milton Ziegler of Alton.

Round of municipal, park, school board and college balloting in Quad-City area produces diverse results

Mid-April balloting has been completed in the Quad-Cities, ending local-level selection of officeholders until 1977 (except for the annual election of college and school board members).

Victors this week included George H. Sykes, elected to a vacant position on the Granite City Park Board; two new Madison aldermen, Ronald Grzywacz of the Third Ward and Donald E. Garrett of the Fifth Ward; and in Pontoon Beach a ticket consisting of Mayor Floyd David Moss, Mrs. Mary Warren for village clerk and Duane Skinner, Keith Biggs and Trustee Loren Madison for the board of trustees.

Pontoon Beach voters indicated widespread support for the relatively new Moss administration, while Madisonians showed a preference for new representation in some areas of the city. There was no ballot opposition Tuesday for four incumbent Venice aldermen or for three Madison council members.

This year's school board balloting appeared to reflect growing attention to cost trends, combined with a desire for relative continuity and stability in the Madison and Granite City districts. Thomas G. Miofsky won one of the board terms in Granite City.

There was a contrasting situation in the Venice school system, where continuity was rejected. Two incumbents ran last among the six candidates, and John Boushard and Charles Burger were elected to initial Venice board terms.

William L. Gushleff, a Madison resident who is a faculty member at Belleville West High School, ran well in the Belleville Area College District but finished fifth in the field of 12 candidates. Winners were an incumbent, Edward O'Malley of Belleville, plus John Becker of Sparta and Mearl Justus of Cahokia.

In view of the size of the Quad-City population, it is obvious there should be direct local representation through membership on the college board. But it became equally clear that this is easier said than done.

It is difficult to contact prospective voters throughout the eight BAC counties, and the light turnouts attracted by most school elections creates an added handicap. Another factor was the absence of dissatisfaction with the highly respected college and its policies.

Between now and the next BAC board election, thought should be given to ways of making it more likely to achieve adequate geographic distribution among the board positions.

Festival offers outstanding, low-cost entertainment

The pre-season sales campaign launched this week for the Mississippi River Festival's 1975 season deserves extensive public support here as well as in Missouri.

Illinois involvement in the MRF is larger than ever this year, and Southern Illinois University at Edwardsville has undertaken the task of coordinating the summer concert series. The St. Louis Symphony Orchestra will continue to participate but on a reduced level.

Chairwomen include Mrs. J. C. Byers of Granite City, and her sales committee includes Mrs. Kiril Kirchoff, Mrs. Joseph Owens, Mrs. James Henderson, Mrs. Alex Tarpoff and Mrs. Leon Scroggins.

More than 100 volunteers in the region are participating in the annual coupon book campaign, which it is hoped will realize $100,000 ir pre-season sales by June 30. The $2 books offer $25 worth of coupons redeemable for tickets to any River Festival event.

Coupon book purchasers have both the advantage of the 20 per cent discount and the exclusive ability to buy tickets during April, through redemption of coupons by mail order or in person at the SIUE ticket office. Regular mail orders will be filled starting May 1 at SIUE, and 40 other sales outlets will open June 2.

With such headliners as Bob Hope, Olivia Newton-John, Mac Davis, the Osmonds, Arlo Guthrie, Linda Ronstadt, Judy Collins, James Taylor, Stephen Stills and Henry Mancini scheduled here — plus films, classical music, arts and crafts exhibitions and other highlights — the River Festival offers an entertainment bonanza at bargain prices.

The MRF has become a great asset to this region, and those who attend will benefit the most.

Americans' will—to lead, achieve, share

Comments by Arch Booth upon retiring as president of the Chamber of Commerce of the United States:

I'm retiring after 32 years with the National Chamber.

It has been a rich, fulfilling career. I wish I could share with you the highpoints, but 500 words would be hopelessly inadequate for that.

Nor do I want to end on a negative note, even though there are still plenty of balloons in need of puncturing.

I would like to say a few kind words for this bruised, troubled, much maligned — but still great — country of ours.

There are so many things right with America that it's difficult to make choices. Even though we face some serious problems, we have the demonstrated strength and will and means to cope with them.

Perhaps that in itself is enough to be said about "What's Right With America," but some other factors high on the list are these:

1. We have the greatest amount of freedom for the individual of any country in the world — freedom of choice, of religion, of thought.

2. We have the greatest amount of incentive for individual productivity in the world.

3. We have the mightiest economic system on the face of the earth — in a slump now, but with underlying strength of immense proportions.

4. We have the privilege of working in a market-regulated economy which maximizes individual effort, diversity and variety, and serves as the best means known of allocating human effort and resources efficiently.

5. We benefit from the spirit and practice of voluntarism in meeting our social and economic challenges.

6. We have a growing concern for personal, governmental and commercial ethics and behavior.

7. We have a system of public education, higher learning and adult advanced study bringing a rich intellectual fulfillment to all who will accept its opportunities.

8. We have a religious heritage and spiritual encouragement second to none.

9. We have health facilities and medical delivery system of exceptional merit.

10. We emphasize home ownership, family environment and the neighborhood spirit to the immense advantage of all.

11. We cherish freedom of communications. We encourage the development and expression of informed opinion.

12. We have a highly productive and fertile soil, varied but favorable weather and a skilled, motivated, splendidly equipped agricultural community.

13. We have highly skilled, trained and motivated management and technological personnel.

14. We have some of the best skilled workers to be found.

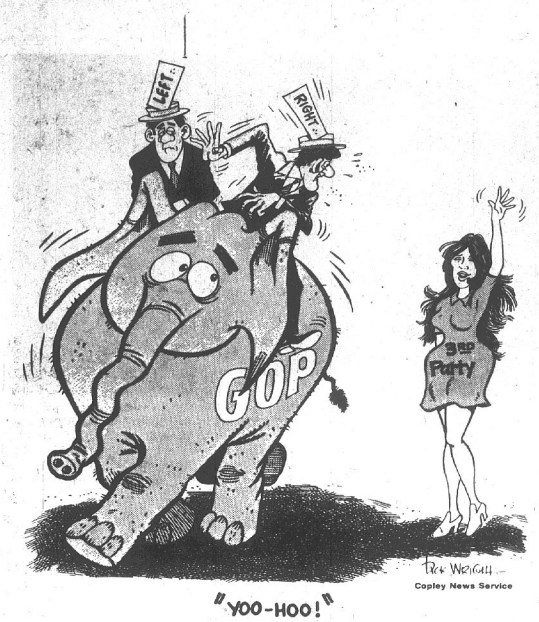

15. We have a great wealth of investment capital — much of it awaiting encouragement to be used in the development of jobs and productivity.

I am neither a Pollyanna nor a Chicken-Little.

That list of 15 can be expanded. And the critics can point out flaws, exceptions, "yes, but's," in every one of them.

We are far from perfect. This is not a perfect world.

But when all is taken into account, what is right with America is our will to improve, to achieve, to share, to accept the responsibilities and burdens of leadership, to be neighborly and to become something more. tomorrow than we are today.

Aid overpayments cut but jeopardize future funding

By LESTER BELL
Press-Record
Washington Bureau

Illinois efforts to attain three interim federal goals of reducing costly welfare errors have met with some success and an actual saving of $707,000 for the first half of the fiscal year, the U. S. Department of Health, Education and Welfare has reported at a press briefing.

HEW gave the state-by-state results of the first six months of its 2-year-long "quality control" program to reduce errors in Aid to Families with Dependent Children (AFDC).

During the reporting period of July through December 1974, the Illinois Department of Public Aid did manage to reduce overpayments and underpayments. It scored on the underpayment target while falling short of the overpayment target.

Illinois failed the goal of reducing payments to ineligibles. The state, in fact, exceeded the error rates set up for both the base period and the interim target.

James S. Dwight Jr., administrator of HEW's Social and Rehabilitation Service, told the briefing that quality control had produced "significant results," but he warned that some states in fiscal 1975-76 "will be in some jeopardy if they do not make our targets."

HEW has given the states until this July 1 to reduce their AFDC rates to a 3 per cent ineligibility error and 5 per cent payment error.

"As of that date," Dwight pointed out, "there will be no federal financial participation for errors in excess of those rates."

Large sums are at stake for a big welfare state like Illinois, a HEW spokesman said later in an interview. He said Illinois in 1973-74 spent $609 million on AFDC, the total split about equally between federal and state funding.

Quality control was born under regulations adopted Jan. 1, 1974, when HEW gave each state 18 months to reduce AFDC errors that were then adding $1.17 billion a year to welfare costs.

Illinois error rates at the outset were 37.6 per cent overpayment, highest among the states, 11.7 per cent in payments to ineligible families, for tenth place among the states, and 10.6 per cent in underpayment, eighth place.

HEW subsequently determined error rates for each state by creating a base period (April-September 1973 and January-June 1974) and setting up interim targets.

On underpayments, Illinois started from a base period error rate of 7.9 per cent and aimed at a 7.1 per cent target rate. It actually hit a 5.3 per cent error rate.

On overpayments, Illinois started at 33.1, aimed at 26.1, and actually hit 28.1, for a substantial 5 per cent error reduction but short of the interim target.

On ineligible payments, the state's base was 12.3 and its target an even 10. It not only failed to hit the target, it went over the base with a 15.2 per cent error rate.

HEW is presently reviewing quality control adjustments for the quarter that ended March 31. If Illinois achieved its error reduction goals in that period, it will have saved nearly $10.8 million in federal funds.

Illinois has a chance to save an additional $11 million in the current quarter that ends June 30, the HEW deadline for bringing AFDC errors within the goals Dwight described as "reasonable and attainable."

The Social and Rehabilitation Service administrator told the press briefing that if all states were meeting all error reduction goals for the current fiscal year, "we could save a total of $514 million — $283 federal and $231 state."

About $142 million of this would have been saved during the first six months.

"However," Dwight said, "results for the first half — July to December 1974 — reveal an actual saving of $62 million.

"While that saving is substantial, $80 million more would have been saved if the interim goals had been met."

Dwight said, in effect, that quality control is working but not well enough.

Some states were slow to go into action and others faced serious difficulties.

"But at the end of the first six months, on Dec. 31, 1974, the nationwide error rate has been reduced to 36.4 per cent from the original 41.1 per cent," he said.

Dwight said 41 of the 53 states and territories met one or more of the three targets; 26 made their eligibility goals, 17 made overpayment goals and 31 made underpayment goals.

Illinois was cited among 11 states "sharply" reducing overpayment errors.

Ten states made all goals.

No one above the law—or immune from investigation

By CLARENCE M. KELLEY
Director, Federal Bureau of Investigation

Few words in our language have received as much attention in recent months as has privacy.

It has come to express for many the perception that their well-being is threatened—indeed their lives controlled—by the highly institutionalized nature of our society and the power technology is exerting over it.

There is reason for concern. Most of us would admit to an awareness that a certain erosion of our individuality has taken place in recent years.

One sign is the proliferating identification of people by numbers in credit card, bank account, social security, tax, motor vehicle, census and telephone records, to name only a few.

The realization that these numbers are consumed, correlated, matched and exchanged by computerized data processing systems, which store and retrieve vast quantities of information instantly, is unsettling to some.

For far too many persons, however, the term "privacy" has acquired a far different connotation.

To them, it has become a code word to discredit legitimate law enforcement procedures.

These critics are quick to characterize law enforcement practices with sinister, fifth-column terms like surveillance, infiltration, informer, spying and dossiers.

They harbor the notion that law enforcement has no business inquiring into the activities of persons who cannot be clearly shown to be involved in violations of the law.

Such a notion is wrong. For one reason, it ignores the function of investigation: to conduct logical inquiries to establish the facts in a given situation.

For another, it suggests that exceptions be made in the investigation of crime.

While the presumption of innocence for a defendant before the court is a valued concept in our legal heritage, it is inconceivable during the investigative process.

Vigorous, logical and objective investigation can no more presume innocence than it can presume guilt. It can only consider the possibility of one or the other.

Where privacy is concerned, I am confident there is no group more genuinely committed to its preservation than law enforcement personnel.

Over the years, no others have had in their possession more potentially damaging information about fellow citizens and few, if any, others have guarded such privileged data more carefully.

Endangered personal privacy is far too important an issue to obscure its source.

If persons feel threatened in our society, it is far more likely the result of rampant crime than of law enforcement efforts to protect the community from lawlessness.

Privacy is meaningless when it cannot be enjoyed, secure from the growing attacks of terrorists, murderers, bombers, burglars, rapists and robbers.

If law enforcement is to stop crime and protect true personal privacy, then it must be permitted realistic weapons to combat lawlessness.

If we have learned anything from the dramatic national events of the past few years, it is that no one can be above the law.

Neither can anyone be beyond investigation.

Privacy must not become a refuge for crime.

Congress busy and constructive—Price

In summarizing the first ten weeks of the 94th Congress, Melvin Price of this district notes that "in January I described it as one which would be action-oriented.

"I think the significant legislation passed thus far proves that the 94th Congress is indeed listening to the voice of the American people. I am sure the positive work done in the first weeks will continue as Congress resumes work on the pressing problems of employment, the economy and energy," Cong. Price said this week.

Among the bills passed by Congress thus far, he cited the following as especially important:

A $22.8 billion tax cut bill has been signed into law. It provides a $100$200 tax rebate on 1974 taxes and an increase in the personal exemption and standard deductions for 1975. Also included is a 13-week extension of unemployment benefits, a $50 payment to all Social Security recipients and a $2,000 tax credit on purchase of new homes.

A $519 billion emergency employment appropriation is awaiting final action. It will accelerate funding for 1.5 million jobs.

The House has acted on farm and food production legislation for 1975 crops, designed to increase loan levels and avert the threat of a food shortage. Also, Congress passed into law a prohibition of increased costs for food stamps.

Appropriations are continuing to be provided for existing federal programs in the fields of health, education and poverty. An extension of federally-backed riot and crime insurance in high-risk areas is awaiting Presidential action. Reallocation of college work study funds passed the House and is pending in the Senate.

In addition, Cong. Price said final action should be taken on a controversial strip mining bill, middle-income housing, railroad appropriations, energy and defense production.

"Congress has just acted on new legislation for the Older Americans Act. Additional consideration of legislation on highways, space, energy and science authorizations and amendments to the Developmental Disabilities Act also is to be acted upon.

"This Congress has been in session more hours, has convened more days and has taken more record votes than any in the past 30 years.

"The American people voted in this Congress last November with the hope that we would take quick, decisive action in this time of economic and political stress.

"The record shows that Congress has answered the people in the same spirit.

"It is my contention that Congress has acted and will continue to act with speed and responsibility to fulfill its promise made in January to put this country back on its feet and again traveling down the road to peace and economic security."

Dixon urges interest by the young in government

"A democratic form of government can best be measured by the degree of participation of the governed," State Treasurer Alan J. Dixon told the 25th anniversary banquet of the Greenville Jaycees during the weekend at the St. Theresa Parish Hall at Marydale.

"The higher the participation of the governed, the better the government; the lower the participation, the lower the quality of government, the more the margin for error and, eventually, the more the crises of confidence in that government," he said.

"Participation in government, at every level, should begin at a young age," Dixon told the Jaycees. "Congress recognized that when it authorized 18-year-olds to vote.

"Participation is simply 'getting involved'," the state treasurer said. "That means developing an interest in your city government, your county government, your state government, as well as the federal government.

"Involvement doesn't limit itself to becoming acquainted with the issues and voting in each election," Dixon added. "It also means joining the political party of your choice.

"It means knocking on doors to solicit votes for the candidates of your choice. It means volunteering to staff the campaign headquarters of the candidates you support.

"It means organizing and helping in the collection of funds to finance the candidates of your choice."

"When you've done all these things, you're entitled to a much better understanding of Lincoln's phrase: '. . . government of the people, by the people, for the people.'

"Today, government at all levels needs the participation of younger people," Dixon said. "You are being taxed to pay for these governments and you'll be paying taxes the rest of your life.

"When you consider how much you will have paid in taxes by the time each of you reaches the age of 50 years, you can see that sum represents a tremendous investment," the treasurer said.

"If you want to best protect that investment, get yourself involved in the political process as early as possible because that involvement — when you stop and think about it — is what our government is all about: Participation."

Corporate tax increase sought

Chicago Sun-Times — The United Steelworkers have begun a move to get the state income tax rate for corporations quadrupled while keeping the tax paid by individuals to the present amount or less.

The Political Education Committee has called for increasing corporate state income tax rates from the present four per cent to 16 per cent "without any corresponding increase in the amount of income taxes paid by individuals."

An Illinois Constitution provision requires state income tax rates for corporations to be no higher than a ratio of 8-to-5 of individual rates.

The union proposed to increase the rate on individuals from 2.5 per cent to 10 per cent, and to cut the taxable base on individuals to one-fourth the present amount.

John Alesia, PEC legislative director, said the present 2.5 per cent tax on taxable individual income of, for example, $6,000 would be $150.

By multiplying the tax rate by four, to 10 per cent, and dividing the taxable base by four, to $1,500, the tax would turn out to be the same.

"As it is now, corporations have exemptions, credits and other allowances so that they are not paying their share," said Alesia.

"At the same time, a working man has no deductions at all other than the $1,000 one for himself and each of his dependents."

Alesia said the effect of quadrupling the corporate tax rate would, in practice, actually only double the total of corporate taxes paid in Illinois.

He said that taxes on individuals now total five times the amount of taxes paid by corporations, and the proposal would bring the ration of individual-to-corporate state income taxes to 2-to-1, such as exists in other large industrial states.

Alesia said that some plan similar to the one he proposes will have to be enacted before Jan. 1, 1979, when the personal property tax on corporations is abolished. The State Constitution requires that a substitute be provided.

7¢ share loss at Smith

A. O. Smith Corporation lost $353,000, or seven cents per share, in the first quarter of 1975 on sales of $132,675,000, L. B. Smith, chairman and chief executive officer, announced Tuesday in Milwaukee. Shares total 4,898,043.

In the first quarter last year, the company lost $880,000, or 18 cents per share, with sales of $134,698,000.

Smith blamed the effects of the recession in four of the company's major markets for the first-quarter showing.

Only the petroleum market, supplied by two A. O. Smith operations, performed better than a year ago. The four below-par markets were automotive, air conditioning and refrigeration, agriculture and construction.

While dollar sales are down slightly from the first quarter of 1974, physical volume is off considerably from a year ago, with inflation keeping sales dollars at a relatively high level.

Smith said three of the company's major operation units, Automotive Division, Armor Elevator Company and A. O. Smith Harvestore Products, Inc., both subsidiaries, lost money in the first quarter.

The Automotive Division was hurt by lower unit volume, particularly in truck parts and control arms, while Armor Elevator suffered because of delays in many commercial construction projects. A. O. Smith Harvestore had much lower volume than a year ago, and also absorbed substantial going-in costs related to its new manufacturing plant in DeKalb, Ill.

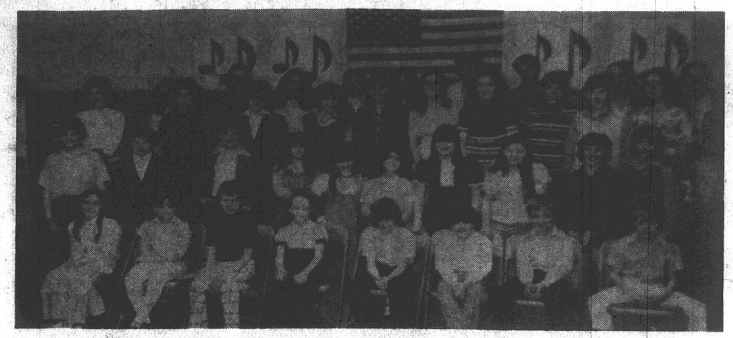

Sales of electric motors and water heating equipment were also down compared with last year, but the divisions manufacturing these products were both profitable in the quarter.

Profits at the Meter Systems Division and the Reinforced Plastics Division of A. O. Smith-Inland Inc., an affiliate, were much improved over a year ago as sales in both operations nearly doubled.

REAR DOOR FORCED

Sherry Pouncie, 425 Weaver St., Venice, reported to police during the weekend that someone forced the rear door of her house and took a television set, clock radio, ladies gold watch, and a record player.

2 held in rail yard incident

Michael Crawford, 28, St. Louis, and Renee Kyles, 24, of East St. Louis, were arrested by Madison police, Madison County sheriff's deputies and Illinois state troopers at Route 203 and Bend Road shortly after 8 p.m. Monday. They were charged with resisting arrest and criminal trespass to property.

The two allegedly were involved in an incident in the Illinois Terminal Railroad yards near the end of Race Street, between Madison and Eagle Park Acres, in which a railroad detective reported hearing a man raise the hood on a new car being carried on a railroad car.

The detective fired several shots at the car the intruders were using, two shots hitting the car's windows, it was reported.

Phillip Michael Minner, Highland, an Illinois Terminal Railroad detective, said he was assigned to watch several railroad cars bearing new automobiles and hid under one of the railroad cars while he waited.

He said he saw one man run up a hill near him, and he alerted his dispatcher and Madison police by a walkie-talkie that there was an intruder in the yards.

Minner said he remained under the railroad car and could hear the intruder walking nearby. When he heard an automobile hood raised, he used his walkie-talkie to notify police of a possible theft in progress.

The intruder was believed to have heard Minner's voice, as he ran from the yards and into a station wagon at the end of Race Street, getting into the passenger side as another man in the car began to drive away.

Minner said he identified himself as a policeman and ordered the car to stop. He heard shots and sought cover, striking his head on something as he dove to the ground, he said.

The detective said he fired one shotgun blast into the air and again identified himself as a policeman, ordering the driver to stop.

The car continued to leave, without headlights, and Minner said he fired two shots directly at the car and heard glass break. The driver turned on the headlights and left at a high rate of speed.

A description of the station wagon was broadcast to all area police departments and a sheriff's deputy reported seeing a vehicle matching the description enter Route 203 from Harrison Street.

The deputy followed the vehicle, using his red lights and siren to stop it at Route 203 and Bend Road. He said the left rear window of the car was shattered and there was a hole in the front windshield, believed caused by the bullets.

The man arrested Crawford, alleged to have been the driver, and Kyles, who was allegedly a passenger in the vehicle. No weapons were found.

They were taken to the Madison County Jail at Edwardsville.

New style boat races

The Granite City Evening Kiwanis club, in its meeting Monday at Charlie's Restaurant discussed bringing in a different type craft for the club's annual summer boat races.

For several years the Kiwanians have sponsored hydroplane races on Horseshoe Lake, attracting large crowds with top drivers from all parts of the country.

The club may change the style of boat to OPC (Outboard Pleasure Craft) tunnel boats.

Kiwanian Bill Seebold reported that the tunnel boats range in size from 14 feet to 17 feet, with engines from 50 to 150 horsepower and speeds ranging from 70 to 115 miles per hour on the water.

During the past few years, OPC racing has become more popular for both fans and drivers, according to Seebold, and should attract larger crowds to the races.

The time and date of the annual Kiwanis boat races has not been set.

In other business the club voted to buy a local youth a hearing aid on the recommendation of a school nurse and a doctor.

Kiwanian Samuel Stookey will be the program chairman next week.

Churchmen Federation spring meet April 27

The United Church of Christ Churchmen's Fellowship Federation of the Illinois South Conference will hold its annual spring meeting Sunday, April 27, at Salem United Church of Christ, Alhambra.

Advance registrations are being sent to the chairman, Leroy Hosto, Route 2, Box 191, Alhambra, Ill. 62001, phone number 488-7661. The cost is $1 per man; there is no registration fee for women.

David Schoen will give an organ recital and a choral group from Eden Seminary under the direction of Robert Ullman will sing. Television newsman Max Roby of St. Louis will be one of the speakers.

Dr. Robert Tormohlen, former conference minister who is now administrator of the Hiiz Memorial Home, will be another featured speaker.

David P. Harkins, vice president for development of Eden Seminary, will give a report on the Federation's scholarship fund for Eden. Income from this fund is used for scholarships for students from the Illinois South Conference, which now needs less than $4,000 to reach its goal. In 1975, Eden Seminary will mark a century and a quarter of continuous service.

Those making a contribution to the scholarship fund are to make the check payable to the Churchmen's Fellowship Federation and mail it to the treasurer, Malvin Frischkorn, 1014 N. 17th St., Belleville 62221.

Owen Lehde, Addieville, Ill. 62214 (phone number 424-7871), will conduct a memorial service for departed members.

Registration will begin at 2 p.m. and the meeting will start at 2:45 p.m.

Jr. Tamms concert Sunday at South High

"An Afternoon of Strings and Things" is the theme of a spring concert, featuring the Happy Strings Junior Tamms, to be presented to the public at 3 p.m. Sunday at the Granite City High School South auditorium.

Plans for the fund raising project were finalized at last week's meeting of the Jr. Tamms Parent Group. Proceeds will be used to help defray the expenses of the youthful musicians' trip to the annual CFU Tamburitza Festivals.

This year, the local musical group will participate in the festival at Chicago.

The musical director of the group is Tom Kelam of Arnold, Mo. Choreographer is Mrs. Linda Lusicic of St. Louis.

Special guest artists at the afternoon musical will be the Gateway Tamburitzans of St. Louis and Frank Moskus and Janne Mahanne, also of St. Louis.

Immediately following the presentation, a social and dance will be held at the Croatian Home in Madison. A buffet supper will include beef and sausage plates, sandwiches and desserts, according to parents' group.

Ticket cost, including admission to both the concert and social, is set at $2 for adults and 50 cents for children under 16.

Attending the planning meeting were Joe and Illene Niemczyk, Janet and Charles Hagnauer, Steve and Wilma Karadja, George and Mary Ann Petrunich, Ella and John Crnkovich, Ralph and Phyllis Watkins, Connie Koch, Pat Hartman, Barbara Schaffner, Olga Bilich, Caroline Champion, Pat Scherrills, Wayne Odorizzi, Frances Vivod, Anne Mejaski, Tomi Stimac, Judith Modrusic, Frank Derner, Frances Krulaths, Agnes Barunica and Bernadette Zabokka.

The parents' group will next meet Wednesday, May 7, at the Croatian Home at 7:30 p.m.

Mrs. Wilson presents program

"Ways of Thinking" was the subject of a cultural program presented by Mrs. Ellen Wilson at a meeting of Xi Theta Omega Chapter, Beta Sigma Phi Sorority last week.

A report on the sorority city council meeting and on the progress of the sorority convention was reviewed by Mrs. Pat Howard.

Plans were announced for a visit to the Plantation Dinner Theater on May 29 when chapter members will honor their mothers.

Also discussed was the Easter party given for chapter members' children.

The hostess, Mrs. Barbara Dickerson, 2400 Terminal Ave., served refreshments following the meeting to Mary Davis, Barbara Haddock, Pat Chasteen, Julie Gates, Linda Pickett, Carol Davis, Sharon Rush, Judy Russell, Donna Sprankle, Mary Jane Wasylak and a guest, Kathy Lane.

The next meeting will be at the home of Mrs. Chasteen in Collinsville.

Mrs. Koenig heads sorority council

Mrs. Linda Koenig was elected president of the City Council of Beta Sigma Phi Sorority at a meeting in the home of Mrs. Pat Howard. She is a member of Xi Epsilon Chi Chapter.

Others elected for the ensuing year are Mrs. Joan Pritchard of Theta Iota Chapter, vice-president; Debbie Parmley of Theta Theta, corresponding secretary; Arlene Haldeman, Preceptor Beta Gamma, recording secretary; and Mrs. Linda Pickett, Xi Theta Omega, treasurer.

The retiring president, Mrs. Barbara Wagner, announced the installation of officers will be held April 30 at the "Founders' Day" observance at the Collinsville Holiday Inn.

Also discussed at the meeting were progress reports on the sorority's area convention to take place on April 27 in Granite City.

Bill on unused school leasing

The Illinois State Board of Education at its mid-April meeting, in Itasca, approved several legislative proposals presented at previous meetings.

They included bills to ban discrimination on the basis of sex in school districts, to raise standards for teacher certification program approval, to permit school boards to lease unused school buildings for any purpose serving the interest of the community, and to include energy conservation measures in the purposes for which the tax for fire prevention and safety may be used.

The board also reviewed school aid proposals to help Downstate school districts cope with rising transportation costs and general expenses.

Members deferred action on a report on the location of a proposed North Side Vocational Center in Chicago until the April 24 meeting.

Thoughts on bicentennial are penned by Granite City man

Robert C. Thurston, Rural Route One, Box 1321B, has written a bicentennial poem, "This is the Land That Was," for use in the nation's 200th anniversary celebration.

It relates that "this land is the apple of God's eye — this is the land God set on high. This is the land for which I'll die; this is the land for which I cry."

"This is the land that asks not why that man and woman and child must die. They lift not their eyes unto the sky to the great God whose throne on high would spare our life, our land, His plan and we, a people as many as sand.

"Call an assembly, proclaim a fast, and call to God for peace that lasts. For the key to peace so very well is bravely cast on our Liberty Bell.

"For God, the author of liberty, would truly make this great land free, for this is America's jubilee year. If you've the wit to hear and fear, for it is written in Leviticus what it is that doth afflict us.

"For we know not from whence we came. We know not God, or his name.

"In this great land both far and wide, God's word and law must be our guide, which from his book rings out so true, so long may it wave — red, white and blue."

Zoning board ok's permit for addition

The Madison County Zoning Board of Appeals will recommend to the Madison County Board April 23 that the board approve a request by Bob Barton for a special use permit in an R-3 single family residential district in Nameoki Township.

The appeals group recommends that the board approve requests to continue the present duplex office use of the building and continue the present parking arrangements, as well as allowing a 15-by-42-foot addition to be constructed to the rear of the building.

The County Board is to meet at 9:30 a.m. Wednesday, April 23, in the Madison County Courthouse at Edwardsville to consider the request and regular business.

Modular home plan advanced

Granite City may have modular homes in its future, if construction specifications meet local building codes and units are placed on permanent foundations.

At a mid-April meeting of the Granite City Planning Commission, members voted to prepare a recommendation to the City Council that modular homes be allowed in the community, provided that construction and installation conform to existing building codes, pass critical examination by city building, plumbing and electrical inspectors and include full and permanent foundations.

Building Inspector Robert Kelly said the Madison County Zoning Board has approved modular-type housing providing units are used as permanent residences and located on permanent footings. Such homes were given an R-6 classification, he said.

Units constructed by a specific company, which Kelly investigated, failed to meet all standards required under current local ordinances, including ceiling joists and minor changes in plumbing and electrical connections.

The construction firm, however, willingly agreed to make all necessary changes to meet local specifications, Kelly said.

Board member Edwin M. Reinagel said that at a seminar he attended, it was reported the FHA will approve modular homes for financing, if the units pass specific engineering requirements.

He noted that a modular unit display will be located on the SIUE campus shortly and that an open house is planned May 8.

Commenting that Granite City "is in dire need of homes, especially places to rent," Paul A. "Mick" Worthen, board member, said most modular units are used as duplexes.

The objective is to live in one side and rent the other, he noted.

With construction almost complete when units are delivered to a property site, it was stressed that city inspectors should be allowed to check interior areas, not visible when the entire unit is finished, at the factory.

In other business, the board approved a special use permit request from Leo B. Lipe, 1735 Pontoon Road, to locate a carryout barbecue stand on the adjacent corner property, subject to City Council approval; and to seek annexation of two homesites at 3272 Edgewood Ave. and 3229 Maryville Road. Both properties are surrounded by city territory.

'Birds' April theme of library garden center

(Granite City Public Library)

For the month of April, the subject of the Gardenaires Garden Club's Mini-Garden Information Center is "Birds."

On display are materials on the various ways that homeowners can attract birds to their yards, and thereby help to reduce the insect pests that attack lawns, gardens and people.

NEW ITEMS: "Meeting at Potsdam" by Charles L. Mee Jr. recreates the Truman-Churchill-Stalin conference of July 17 — Aug. 2, 1945.

Mee used logbooks, eyewitness accounts and newly declassified conference transcripts to reconstruct this meeting. At Potsdam, the victors "divided the spoils" and created a new balance of power.

George Pickering's "Creative Malady: Illness in the Lives and Minds of Charles Darwin, Florence Nightingale, Mary Baker Eddy, Sigmund Freud, Marcel Proust and Elizabeth Barrett Browning" examines the relationship between illness and creativity in some of the world's greatest men and women.

The problems and intricacies of woodworking are explained by Charles H. Hayward in "The Complete Book of Woodwork." The book covers many aspects of woodworking and is amply illustrated.

Whether you're changing the course of mighty rivers or just planting a tree, call before you dig.
If you're working on a job that requires some digging, there's one thing you should know before you start.
If you break into a buried telephone cable, you can knock thousands of phones out of service—including your own. And the cost of repairing the cable will be billed to you.
But all it takes to make sure that doesn't happen is a quick call to Illinois Bell's Repair Service. (The number's in the front of the phone book.) They'll tell you exactly where the cable is buried.
So always call before you dig. It could save you a lot of trouble. And money.

'The Crucible' opens tonight

The Granite City High School South Senior class play "The Crucible" by playwright Arthur Miller will be presented at 8 p.m. today and at the same time Friday in the South auditorium.

The play depicts the righteous, upstanding and God fearing Puritans during the siege of witchcraft in 1600 Salem, during which a dramatic trial scene is presented, exposing the lies and deceit that turned the town upside down.

The play is being directed by Ronald Pennell, assisted by Kim Hunt.

Tickets are $1, and there is no reserved seating.

The cast includes Kevin Kearns as Rev. John Halg, Shelly Boyd as Abigail Williams, Annette Tarpoff as Elizabeth Proctor, Stephanie Southwick as Thuba, Donald Dotzauer, as Rev. Samuel Parris, Lorna Reinhardt as Mercy Lewis, Winnie Freedman as Rebella Nurse.

Janet Moss as Mary Warren, Jan Germanceri as Sarah Good, Ingrid Knappczyk as Suzanna, Leon Scroggins as John Proctor, Greg Terrell as Gov. Danforth, Ed Hesseldenz as Giles Corey, Michael Fuchs as John Willard, Michael J. Siebert as Judge Hawthorne.

Michael Taylor as Francis Nurse, Phyllis Guenther as Betty, Chris Spahn as Mr. Putnam, Vicki Kirchoff as Ann Putnam, Larry Rabon as Cheever, and Mark Eavenson as Hopkins.

"THE CRUCIBLE", by Arthur Miller, will be presented at 8 p.m. today and at 8 p.m. Friday in the Granite City High School South auditorium by the GCHS South senior class. Part of the cast includes seated from left, Stephanie Southwick, Don Dotzauer, Shelly Boyd, and Lorna Reinhardt. Standing from left, Leon Scroggins, Ed Hesseldenz, Greg Terrell, Vickie Kirchoff, Chris Spahn, Janet Moss, and Larry Rabon. Members of the cast not pictured are Kevin Kearns, Annette Tarpoff, Winnie Freedman, Mike Fuchs, Mike Taylor, Jan Germanceri, Phyllis Guenther, Mike Siebert, and Ingrid Knappczyk.

Elks install new officers

Harry Taylor was installed as exalted ruler of Granite City Elks Lodge 1063 in ceremonies conducted at the Elks lodge.

Other officers installed were William Mixon, loyal knight; Stephen Diak, leading knight; Dwight Wade, lecturing knight; Fred Buerkle, tiler; A. F. Buente, treasurer; Robert Martin, secretary; Jim Logan, inner guard; Victor Sansing, chaplain; and A. E. Michel, Claude Miller, Don Watson, Charles Rodell and William Russell, trustees.

The program attracted the largest attendance at any Elks installation program in the lodge's history, officials said. The program was arranged by Harold Rush, program chairman, and was open to the public. A cocktail hour was held before the ceremonies. Dancing followed the program with music by the Barbara Johnson orchestra.

Enrollment up at SIUE

For the third consecutive quarter, enrollment is up over the previous year at Southern Illinois University at Edwardsville.

Enrollment statistics from the Office of Admissions and Records show 10,627 students are enrolled for the spring quarter, according to Robert Bruker, director. Last year at this time, the enrollment was 10,100 students.

The figures do not include students enrolled in SIUE programs at Military Airlift Command bases throughout the country and in the Portuguese Azores and extension classes taught in areas away from the local campus.

In addition to 104 students enrolled in the SIUE School of Dental Medicine, there are 9,445 in-state residents attending the university, 941 out-of-state students and 137 students from foreign countries.

A breakdown by classes shows the enrollment includes 2,093 freshmen, 1,778 sophomores, 1,888 juniors and 2,359 seniors.

At the graduate level, there are 2,288 students. And there are 109 students of other classifications attending the university this quarter.

Last fall, SIUE enrollment was up slightly over the 1973 quarter. Another gain over the previous year was recorded in the winter quarter.

Classrooms ransacked

Several rooms and cabinets were ransacked at Logan School, 25th Street and Bryan Avenue, it was reported at 6:10 a.m. Tuesday.

Entry was gained by removing a piece of plexiglass from the furnace room door and replacing the piece after entry was gained.

The nurse's office door was forced open and some keys to teachers' rooms were stolen. Some milk cartons were stacked up in the kitchen, but it is not believed any milk was stolen.

BURGLARY ON MYRTLE

A $400 color television and four boxes of clothing were stolen from the home of Dorothy Flaugher, 2723 Myrtle Ave., it was reported this week. There were pry marks on the rear door. Mrs. Flaugher was in the process of moving from the home.

WHEN YOU NEED A REALTOR
CALL REINHARDT

PLANS FOR REALTORS' WEEK are outlined by James C. Whitt, right, president of the Granite City Board of Realtors, to Mayor Paul Schuler. The observance is scheduled April 20 through April 26.

Realtors plan observance

Realtor Week April 20 through April 26 was proclaimed this week by Mayor Paul Schuler who urged Granite Cityans to join with the Granite City Board of Realtors, the Illinois Association of Realtors and realtors across the nation in observance of programs of civic betterment during the week.

The proclamation said in part: "Citizens of this community and those throughout our great land enjoy the benefits, security and pride of home ownership as in no other country in the world . . . and members of the Granite City Board of Realtors have been chiefly responsible for encouraging home ownership through their efforts to match the needs of buyers with available homes, counsel both buyers and sellers and guide them through the various steps necessary to complete a purchase."

The proclamation added: "Whereas the code of ethics to which realtors subscribe places them in the forefront of the responsible organizations in this country, now therefore I proclaim April 20-26 to be Realtor Week."

County tax sale April 21

George Musso, county collector, will offer all 1973 delinquent tax items for sale at public auction, as required by law, on April 21. Ordinarily, the tax sale would have been held in December 1974.

The Taxation Committee of the Madison County Board, composed of Homer Boothman, chairman, Nameoki Township; Homer Henke, Moro Township, and Daniel Partney, Granite City, urge all property owners who still owe 1973 taxes to pay them to the county collector before April 21, to avoid the payment of additional penalties.

The law permits the bidding of penalties ranging from 0 per cent to 12 per cent, which is applicable every six months.

Approximately 1,800 delinquent items will be offered for sale. Most of these items will be purchased by private tax buyers; however, those delinquencies on which no private bid is made, will be purchased by Madison County as trustee for all taxing districts.

REASSIGNED

Technician Albert R. Strain Jr., husband of Mrs. Shirley K. Strain, 3844 Lake Drive, has been assigned to the Third Training Brigade at Fort Ord, Calif., from his present station with Headquarters Second Brigade, 85th Division, St. Louis. He entered service in May 1962.

Samuel K. Wells, Granite City, and Donna Kay Garner, East Alton.

Dr. Maer cited for services in advisory post

Dr. Stanley F. Maer, optometrist who has his offices at Garfield Avenue and Johnson Road, has received a certificate of appreciation from the Illinois headquarters of the Selective Service System for his assistance as a member of the Illinois Medical Advisory Committee.

His appointment to the committee expired with the termination of the draft. As a member of the committee, Maer served as an advisor in fulfilling the needs of the armed forces for medical specialists and recommended deferments when they were in the best interest of the nation.

"Only with such voluntary and patriotic contributions have we been able to successfully perform our mission," W. Robert Kinscherff, state director of the Selective Service, said in presenting the certificate to Dr. Maer.

ENJOY A BIT OF AMERICA'S HERITAGE . . . NATIONAL EXCLUSIVELY BRINGS FRESH BUFFALO TO THE SOUTH!

The Meat People bring you Buffalo—a part of America's eating heritage, once near extinction, but now yours to enjoy with a promise of a taste treat as great as the big country from which it comes. After grazing on native grasses, U.S.D.A. supervised herds are then grain fed to insure a yield of rich, full-flavored meat. When cooked, uncovered at low temperature, the natural juices and characteristic fine textured tenderness of Buffalo is preserved for your whole family to enjoy.
